By referenced letter dated November 12, 1958, the Newark Office advised that on October 1, 1957, confidential source [redacted] stated that on or about the middle of September, 1957, a package containing about 150 mixed copies of "Common Sense" was mailed to GILBERT GERHOLD, First Huntington National Bank Building, Huntington, W. Va.

Christian Educational Association of Union, N. J., 530 Chestnut Street, Union, N. J., publishes "Common Sense" which is edited by CONDE MC GINLEY. "Common Sense" is termed a hate sheet and is purportedly an anti-communist newspaper which is anti-Semitic and, to a lesser degree, anti-integration.

The following investigation was conducted by SA ROBERT R. FOLTZ at Huntington, W. Va.:

On November 25, 1958, GRACE BOBBITT, Clerk, Credit Bureau, Inc., advised from records that GILBERT W. GERHOLD, resident Chesapeake, Ohio, former address 1308 13th Street, Huntington, W. Va., is District Agent of the New England Mutual Life Insurance Company, First Huntington National Bank Building, Huntington. Miss BOBBITT stated that GERHOLD has an excellent credit record and that information available to that credit bureau is very favorable regarding him.

Miss BOBBITT advised that she has been personally acquainted with GERHOLD for over 20 years and knows him to be a person of very good personal habits and reputation. She said that

nothing unfavorable to his character, loyalty or associates has ever come to her attention.

ELMER CANTERBURY, Manager, Credit Bureau, Inc., advised on November 25, 1958, that he has been well acquainted with GILBERT GERHOLD for approximately 20 years and knows him to be a man of excellent character, reputation and associates. CANTERBURY stated that he has belonged to the same church as GERHOLD for a number of years and that his personal reputation is above reproach. He said that GERHOLD, although not wealthy, is a very successful insurance man, and that his integrity is well known to members of the insurance profession in Huntington.

PETER G. PHILLIPS, Manager, National Life and Accident Insurance Company of Tennessee, 705 5th Avenue, advised on November 25, 1958, that he has been acquainted with GERHOLD on a business and social basis for the past 15 years. He stated that GERHOLD is highly regarded by his associates in the insurance business and that to his knowledge, GERHOLD has never engaged in any activity which would be detrimental to his reputation.

JOHN BALLANCEE, General Agent, Connecticut Mutual Life Insurance Company, 1034 6th Avenue, advised SAA RAY V. SHCHAIKER and SA FOLTZ on December 9, 1958, that he and GILBERT GERHOLD were partners in the insurance business for a period of 10 years, up until 1955. He stated that he has been well acquainted with GERHOLD during that period and considers him one of his closest friends. He said that he would vouch for GERHOLD's integrity, honesty, character, and loyalty to the United States without hesitation.

BALLANCEE advised that GERHOLD has never given the slightest indication that he is anti-Semitic or that he bears ill feeling toward any minority group. He said that GERHOLD has, in the past, informed him that he, GERHOLD, met GERALD L. R. SMITH in Huntington approximately ten years ago and that he considered SMITH a very dangerous man.

BALLANCEE stated that he could offer no explanation as to why GERHOLD received instant copies of "Common Sense," but he was of the opinion that GERHOLD would only be interested in this material as a matter of research, inasmuch as he is not the type of person to be duped into following the

PG 62-2457

dictates of any "crack pots" or organizations condoning violence.

BALLANCE was of the opinion that GERNOLD would be very receptive to an interview by FBI agents and stated that he is of the belief that GERNOLD will have a logical and honest explanation for his receipt of this literature.

BALLANCE stated that GERNOLD has no set working hours because of the nature of his employment and that he undoubtedly works frequently on weekends. He said that GERNOLD also travels to some extent but that his travels would be confined to a 75-100 mile area within the Tri-State area of West Virginia, Ohio and Kentucky. He stated that GERNOLD drives a 1955 Chevrolet four door Sedan, light green or blue color, is approximately 55 years of age, is married to the former MARLENE HIPPES, and has three children,

b6
b7C

On December 10, 1958, Lieutenant NELSON PADEN, Identification Officer, Huntington Police Department, advised that he could not locate any arrest record identifiable with GERNOLD in the files of that division.

In view of GERNOLD's excellent reputation in Huntington, it is felt that further investigation in this matter could lead to the embarrassment of either GERNOLD or the Bureau. Bureau authority is therefore requested to interview GERNOLD to determine the extent of his association with COMRAH MC GINLEY and the reason that "Common Sense" was mailed to him in September, 1957, by MC GINLEY.

In the December 1-15, 1958, issue of the CEA newspaper, "Common Sense," which is received on a regular basis from CONDE MC GINLEY, there are certain statements concerning the Director such as, "Unfortunately enough even men of such caliber as Mr. J. It is assumed the Philadelphia Office has supplied a copy of this publication to the Bureau. If such is not the case, please advise Newark immediately.

APPENDIX

DOCUMENTATION OF ORGANIZATIONS

CHRISTIAN EDUCATIONAL ASSOCIATION OF UNION, NEW JERSEY

Under date of December 17, 1954, the Committee on Un-American Activities of the U.S. House of Representatives published a "preliminary report on Neo-Fascist and Hate groups" in which the growth, objectives and the editor of "Common Sense" are discussed at length. The report indicates the publication has a fluctuating circulation of between 30,000 and 100,000 copies.

In the HCUA report, "Common Sense" is described as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

GILBERT W. GERHOLD was interviewed at Huntington, W. Va., on January 14, 1959, by SAS RAY V. SHOEMAKER (A) and ROBERT R. FOLTZ.

He advised that the publication, "Common Sense," has been sent to him for the past three or four years but that he has never subscribed to this publication or requested that it be sent to him. He stated that after receiving a few copies he wrote to CONDE MC GINLEY inquiring why his name was on MC GINLEY's mailing list and requesting the identity of the person who had suggested his name and who was paying for his subscription. He said that he received an answer from MC GINLEY advising him that this information could not be disclosed and that thereafter "Common Sense" continued to be sent to him.

At this point, GERHOLD called his secretary, HELEN WHITE, and she recalled this correspondence. After checking her files she advised that she could not locate copies of these letters.

GERHOLD was of the opinion that he knows the identity of the person who furnished his name to MC GINLEY but he declined to furnish the name of this person on the basis that he had no definite proof. He stated that he has never met MC GINLEY personally, has never contributed funds to him or his organization, and is not in any way sympathetic with the views expressed in "Common Sense."

GERHOLD stated that he has never received more than one copy of "Common Sense" at a time and that to the best of his recollection, he receives a copy about once a month. He said that he has shown this publication to his family and possibly a few close friends but would have no reason to be in possession of more than one copy of the paper since he is in complete disagreement with MC GINLEY and his views.

He was of the opinion that he is a "natural target" for MC GINLEY's attention because of his background. He stated that he majored in Sociology and Economics at Marietta College, Marietta, Ohio, and has been active in the YMCA since 1923 having been at one time a member of the National Council of the YMCA; that he has also been active in local politics for several years and has been criticized for his outspoken views in political matters. He said that he is very interested in political ideas and ideologies from an academic viewpoint but is not and has never been sympathetic toward MC GINLEY, his organization, or his ideas.

This source stated that there is no indication that any of the employees of this organization had any connection with the bombings, or attempted bombings, in the southern states.

He stated that people who desire "Common Sense" or other literature write directly to CONDE MC GINLEY for subscriptions or order literature through his various contacts throughout the country. He indicated that MC GINLEY's principal contacts who have handled many thousands of pieces of literature in the past, as well as handling distribution of "Common Sense" are:

HELEN COURTOIS
1405 Sunderland Street
Los Angeles, California,
who heads the "Keep America Committee"
at P.O. Box 3094, Los Angeles, California

CARL LYONS

b6
b7C

 is a multi-millionaire who also maintains residence on the West Coast and in the past has furnished a great deal of financial aid of MC GINLEY.

This source explained that a regular issue of "Common Sense" consists of 50,000 copies, some of which are sent to individual subscribers, and the balance mailed in bulk to the

above named distributors, as well as other similar distributors throughout the United States. He said that a "hot" issue will have several reprintings and, at times, a single issue might have as many as a quarter of a million copies printed, as was the case of a recent issue, #305. This source stated that in addition to income received from subscribers and distributors, as mentioned above, MC GINLEY receives money both from established sources and anonymous donors. He added that in the past, many wealthy individuals throughout the United States have, from time to time, given many thousands of dollars to MC GINLEY to continue his operation. He stated that two of the largest in recent years have been [redacted] and [redacted].

b6
b7c

He added that [redacted] have frequently donated large sums of money to MC GINLEY.

He added that MC GINLEY also receives orders from various persons and organizations throughout the country to print various types of literature, for which he receives either a profit on the printing or a contribution for doing this work. He advised that MC GINLEY also has connections with various groups, such as the Anti-Fluoridation groups throughout the United States and received financial aid from them whenever he publishes a story in behalf of their cause. This source also added that in addition to the above, MC GINLEY has received financial aid from trustees of the Christian Educational Association, two of whom are Admiral CROMMELIN of Wetumpka, Alabama, and [redacted].

This source stated that it is uncertain as to who writes articles for "Common Sense" besides CONDE MC GINLEY. He said that MC GINLEY receives articles from people all over the country, and also has a great library of manuscripts from which he takes information to place in the paper. He stated that two people who have done research work and contributed articles to MC GINLEY in the past are EUSTACE MULLINS of Staunton, Virginia and [redacted].

In regard to the leaflet concerning "Christ's Crusaders", furnished by Newark letter, dated 12/3/58, this source stated that this is an article which was written several years ago by EUSTACE MULLINS, when he was working in Chicago, Illinois, and which was printed by MC GINLEY and distributed by him. This source said that so far as he knows, this article is not being currently distributed by MC GINLEY, and that there is no such organization as "Christ's Crusaders", but this is merely one of

NK 105-1910

the many hoaxes which MULLINS has written in connection with his anti-Jewish activities.

b6
b7c

This source also stated that CONDE MC GINLEY left Union, New Jersey, about 12/1/53, and is still away on a trip throughout the United States. He allegedly has visited his lawyer in Washington. Admiral CROMMELIN in Wetumpka, Alabama, and friends in Florida, Oklahoma, and Chicago. MC GINLEY also is reported to have visited WILLIAM STEPHENSON, publisher of "The Virginian" in Norfolk, Virginia. This source stated that MC GINLEY recently obtained a duplicating machine from [redacted] in payment of a debt which was owed to him. This source added that it appears that this duplicating machine may have been bought for [redacted] by [redacted] who has received nation-wide publicity in connection with his support of the National States Rights Party, and allegedly stated that he would sue [redacted] for the return of a duplicating machine. The duplicating machine which [redacted] furnished to MC GINLEY is a Model 112 A. B. Dick, manufactured by Meeker. This source also added that a [redacted] of the Sheriff's Office in Elizabeth, New Jersey, is a long time friend of MC GINLEY's and frequently furnishes him information and keeps him posted about current situations in the Police Department and other official establishments.

CONDE MC GINLEY is the editor and publisher of "Common Sense", a bi-monthly newspaper.

CEA headquarters are at 530 Chestnut Street, Union, New Jersey.

Under date of December 17, 1954, the Committee on Un-American Activities of the U.S. House of Representatives published a "preliminary report on Neo-Fascist and Hate groups" in which the growth, objectives and the editor of "Common Sense" are discussed at length. The report indicates the publication has a fluctuating circulation of between 30,000 and 100,000 copies.

In the HCUA report, "Common Sense" is described as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and

NK 105-1210

devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi Regime in Germany is also injected into this propaganda.

DETAILS:

PREDICATION

This investigation is predicated upon the following anonymous letter postmarked October 24, 1958, at Little Rock, Arkansas, addressed to J. EDGAR HOOVER, Director, Federal Bureau of Investigation, Washington, D.C.

"Dear Sir:

"The hate complex which prevails throughout the U.S. today causing bomb scares in our schools, churches and synagogues; and which actually caused the bombing of synagogues in Atlanta and Peoria and Clinton High School in Tennessee; and attempted bombings of other churches and schools is deplorable.

"I am not in a position to reveal my true identity, however, I believe the following information very helpful in connection with the synagogue bombing in Atlanta:

"The 'Order of the White Camelia' is a lot of bunk. There is no such organization in power having to do with the bombings. However, the five suspects in police custody in the Atlanta case are the go between and finger men between the north and south anti-semitic situation

"Plans were, if successful in Atlanta, to proceed and cause synagogues to be bombed in Tuscaloosa, Memphis, Birmingham, Chattanooga, Dallas, Houston and finally Little Rock. Bombings to take place at six to eight month intervals.

"The key financial man in the east is Henry Manger of Irvington, N.J., a leader in the now defunct German-American Bund.

"If successful in each of the aforementioned cases synagogue bombings were to take place in the metropolitan N.Y. area. The next bombing after Atlanta was to take place in a Jewish synagogue on Clinton Street or Avenue in Newark.

"I have authoritative information that Manger helped finance the Atlanta bombing and is a definite

NK 62-2569

"link between north and south sects of this small but deadly movement. Dynamite sticks are stowed in the South Orange, N.J. reservation. Dynamite was furnished by the eastern or northern sect for the Atlanta bombing.

"I don't know Manger personally but he is considered dangerous in many respects besides being a jew hater. He is also responsible for several beatings in his immediate area.

"The letter is not written at the hands of a crank or demented person.

"jk

"You will hear from me again."

FBI Laboratory examination of the anonymous communication in this matter reflects that the typewriting appearing thereon resembles the standard for Royal elite style of type spaced twelve letters per inch. This typewriting was compared with the appropriate sections of the Anonymous Letter file without effecting an identification.

The watermark "Esleeck Clearcopy Onion Skin, Made in USA" was found on the anonymous communication. This watermark is used by the Esleeck Manufacturing Company, Canal, Turners Falls 2, Massachusetts. No watermark was found on the envelope in which the anonymous letter was mailed.

INFORMATION CONTAINED IN NEWARK FILES

On January 5, 1942 made available a mailing list used by him to solicit funds for the Kyffhaeusser Bund.

The Kyffhaeusser Bund has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

The name of HENRY MANGER, 1200 West Clinton Avenue, Irvington, New Jersey, was included on this list.

b6
b7C

A typed anonymous letter postmarked May 29, 1939, at Newark, New Jersey, was received by this office on May 31, 1939. This letter alleged that HENRY MANGER denounces national, state and local officials and had been indicted for income tax violation.

An anonymous male telephone caller on September 25, 1940, advised SA [redacted] of this office that once or twice a week people would gather at subject's funeral home in Irvington, New Jersey, and engage in activities detrimental to the United States Government. This caller was unable to furnish any specific information as to the purpose of the meetings or of the membership of the organization meeting.

b6
b7C

On August 13, 1941, former Chief ABRAHAM M. RUBAN of the Irvington Police Department, Irvington, New Jersey, advised an investigation at the FBI's request was conducted by Sergeant KEATING and Detective KRASLE of his department and revealed HENRY K. MANGER, who is the sole owner of Joseph J. Manger and Son Funeral Home at 1200 West Clinton Avenue, Irvington, New Jersey, was then a member of several German-American societies for business reasons and that he was also a member of the Minute Men of America, a Newark organization, very anti Nazi. The police investigation disclosed no sign of any meetings of suspicious groups at the funeral home after closing hours.

On December 19, 1941, J. M. WADE, Assistant Manager, Mercantile Branch, Chase National Bank, 115 Broadway, New York, New York, telephonically advised the New York Office that subject was pro-Nazi and had made an airplane trip to South America in the fall of 1941.

[redacted] Maplewood, New Jersey, telephonically advised SA [redacted] of this office on February 16, 1942, that subject, under name of HENRY KINAST, had been contributing to Nazi funds, had strong pro-Nazi sympathies and received a personal letter from HITLER.

b6
b7C

ABRAHAM M. RUBAN, former Chief, Irvington Police Department, Irvington, New Jersey, advised on May 20, 1942, he had conducted additional investigation but had been unable to verify subject's alleged trip to South America..

FRANK F. D'ARCY, Investigator, Commissioner of Registration, Room 421, Hall of Records, (Essex County), Newark, New Jersey, advised SA [redacted] of this office on February 3, 1951, that in May, 1949, subject packed a coffee can with \$100 bills and sent it to Germany. In March, 1949, he saw subject make two packets containing \$93,000 and leave with it on his person. According to D'ARCY, subject always carries large sums of new money with him. In June, 1949, subject reportedly made a trip to Europe taking his car, which had a false compartment in the floor, with him. The subject is reportedly well known and influential in political matters, a financial backer of one of the two major political parties in New Jersey and often seen in the company of hoodlums.

On December 29, 1958, NK T-4 furnished a report dated October 17, 1958, reflecting the following information:

Business known as Joseph J. Manger and Son (Irvington)
Manger Funeral Home (Nutley)
HENRY K. MANGER, Owner, 1200 Clinton Ave., Irvington
Net worth - low five figures
Sales - moderate, six figures annually
Payments - satisfactory
Summary - volume reported steady with operations
returning adequate profits and livelihood
Financial statement declined

The report also included the following brief history:

HENRY K. MANGER, born United States, 1903; married; succeeded to business established by late father, JOSEPH J. MANGER, upon his death in 1933. Business run by wife, LENE, of JOSEPH J. MANGER as executrix of estate from 1933 to 1935. HENRY K. MANGER associated in business with late father, JOSEPH J. MANGER, all his adult life. In February, 1953, MANGER opened a branch funeral home at Nutley, N.J., formerly operated by DAVID W. SMITH, trading as Stirette Funeral Home, 361 Franklin Ave., Nutley, N.J.

The report further reflects that MANGER operates as a mortician maintaining a large funeral parlor establishment and county morgue for Essex County at Irvington, New Jersey. Owner active, five persons employed full time, others part time as needed. Equipment at Irvington includes funeral parlor, four chapels, embalming room, one hearse, two limousines, one flower car, and necessary equipment used in business. Irvington parlor consists of large two-story brick building, fifty feet by one hundred feet, plus one-story garage at rear. Nutley facilities include four layout rooms - two-story brick structure.

The report further reflects that with regard to financial information, attempts to contact HENRY MANGER up to

NK 62-2569

October 16, 1958, were unsuccessful. "Representative contacted, declined all information regarding this business and such information has been declined all along. Investigation indicates volume in moderate six figures annually, operations profitable. Investigation indicates assets include moderate cash balances, low five-figure investment in fixtures, equipment and rolling stock having high four-figure evaluation. Extent of liabilities declined. Henry Manger jointly holds title with wife to property at 1200-1206 Clinton Ave., Irvington, with assessed valuation of about \$112,000. Account maintained local depository where balances are on a moderate basis."

Mr. JESSE L. FLYNN, Executive Secretary, State Board of Mortuary Science, 410 Main Street, Orange, New Jersey, advised that MANGER is presently handling around 400 funerals a year. He estimates sales at approximately \$200,000 with a fifty per cent margin of profit and believes that MANGER is easily realizing a profit of \$100,000 yearly. He bases these estimates on the class of business MANGER has and his operating costs. FLYNN stated that he felt he was qualified to make this estimate as he was formerly Professor of Economics at the McAllister School of Embalming in New York City.

MISCELLANEOUS

On December 29, 1958, Captain PATRICK KEATING (NA), Irvington Police Department, Irvington, New Jersey, stated that he has known HENRY MANGER personally and by reputation for many years. Captain KEATING described MANGER as a boisterous individual, a playboy type who likes to drink and who spends money freely. KEATING stated that to his knowledge MANGER has been divorced and married several times and at present is living with a common-law wife on Harrison Street in East Orange near the Suburban Hotel. KEATING stated that MANGER has a reputation for being anti-Semitic but did not believe that MANGER was the type who would engage in subversive activities.

KEATING further stated that MANGER was more of an eccentric than anything else in that he did some "crazy" things such as when the town sometime ago purchased a white emergency truck without consulting MANGER, the subject purchased a similar truck and followed this emergency truck around to fires, etc. KEATING also stated that MANGER liked to dabble in politics and recently after contributing money to the "wrong" political party, the administration which was elected declared MANGER's

NK 62-2569

side of the street at his funeral home a "no parking" area. KEATING stated that MANGER thereupon spent thousands of dollars sending out letters or leaflets to many Irvington citizens complaining of this treatment.

KEATING also stated that MANGER was very fond of traveling and was liable to travel to any part of the world on a moment's notice. He stated that within recent years, to his knowledge, MANGER had made a trip to Africa and Mexico and was rumored to own a sugar plantation in Cuba. KEATING pointed out that some of this information was hearsay and not based on his personal knowledge.

Chief FRANK DREYER (NA), Essex County Sheriff's office, Newark, New Jersey, was advised on December 31, 1958, of information contained in an anonymous letter concerning bombing of Jewish synagogue on Clinton Avenue in Newark. Chief DREYER advised that he is not acquainted with HENRY MANGER but knows several people who know MANGER quite well. He discreetly contacted some of his informants and was told that MANGER's real name was HENRY KINAST. According to information received by Chief DREYER, JOSEPH MANGER, HENRY MANGER's stepfather, had married Mrs. KINAST several years ago when HENRY KINAST was a youngster. HENRY KINAST then adopted the name HENRY KINAST MANGER. According to Chief DREYER's informants, during HITLER's rise to power, HENRY MANGER was a strong German advocate. MANGER reportedly is an alcoholic who delights in spending large amounts of money on his many lady friends.

Chief DREYER stated that he knows of no arrest record of MANGER. DREYER was advised by an informant that MANGER had recently "imported" a man by the name of EUGENE CULKIN from South Carolina to manage his Nutley funeral home.

b6
b7c

DREYER advised that FRANK F. D'ARCY died in April, 1958. He said that [redacted]

[redacted] was associated with D'ARCY in the Alcoholics Anonymous and would be in possession of any information that D'ARCY had concerning MANGER. DREYER stated that [redacted] could be contacted in confidence.

Mr. W. E. DEMAREST, Manager, Credit Bureau of Greater Newark, Inc., 24 Branford Place, Newark, New Jersey, advised on January 2, 1959, that an inquiry by Kresge, January 27, 1956, reflects that EUGENE J. CULKIN, 1200 Clinton Avenue, Irvington, and 33 Brighton Avenue, Belleville, was employed as a mortician at that time.

NK 62-2569

Sergeant HOWARD DAY, Irvington Police Department, advised that he has no record on EUGENE CULKIN.

JOHN PAUKOTAITIS, Court Clerk, Nutley, New Jersey Police Department, advised that his department had no record on CULKIN.

Mr. JESSE L. FLYNN, Executive Secretary, State Board of Mortuary Science, 410 Main Street, Orange, New Jersey, advised on January 2, 1959, that EUGENE J. CULKIN is presently employed as manager of the Henry Manger Funeral Home in Nutley, New Jersey. He made available CULKIN's file which reflects he has been employed by MANGER since 1941. According to the file, CULKIN attended high school in Scranton, Pennsylvania, and the McAllister School of Embalming, 114 East 32nd Street, New York City. His age was listed as 33 in 1941. There was no indication in the file that CULKIN has ever been employed out of this state. Mr. FLYNN made available a photograph of CULKIN.

Mr. FLYNN stated that to the best of his knowledge, CULKIN has a very good character but his employer, HENRY MANGER, does not have a good reputation. According to FLYNN, MANGER often drinks to excess and is known as a "ladies man". FLYNN advised that MANGER was a "hot headed loud mouthed individual who has made many enemies". He said that he had been the object of several of MANGER's verbal assaults in the past as a result of his position with the State Board of Mortuary Science.

FLYNN believes MANGER was responsible for two telephone threats of bodily harm he received a few years ago. At that time MANGER was involved in a "squabble" with the State Board. FLYNN stated that he had not been alarmed by the threats as he felt sure MANGER was responsible, and he considers MANGER "a sick man mentally".

The records indicate that MANGER has on several occasions violated minor rules and regulations of the State Board of Mortuary Science. As an example, the most serious violation occurred on December 17, 1955, when a body was buried by MANGER's firm without the supervision of a licensed funeral director. As a result of this violation, an informal hearing was held by the board on January 12, 1956. MANGER admitted the violation and paid a \$200.00 fine. The attorney representing him at the hearing was [REDACTED]

[REDACTED] MANGER advised that he was presently handling 400 funerals a year. He also advised that he had fired [REDACTED] on December 16, 1955, because [REDACTED] was

The file contained a copy of an Essex County Circuit Court Order dated April 24, 1931, and signed by Circuit Court Judge NELSON Y. DUNGAN, reflected that HENRY F. KINAST and MARIE KINAST would on and after May 15, 1931, be known as HENRY KINAST MANGER and MARIE MANGER.

JOSEPH J. MANGER died on October 1, 1933, at which time his wife, LENA MANGER, became the operator of the funeral business. By letter dated October 5, 1939, LENA MANGER advised that she had sold the MANGER funeral business to [redacted] on November 1, 1935, for \$5,000 cash, a \$65,000 second mortgage on the real estate and certain other personal considerations. She stated that [redacted] failed to live up to the agreements, and she only received two payments of \$400.00 each. When she told [redacted] she would like to regain the business, he threatened to open a cut rate business next door in competition if she took legal action against him. Mrs. MANGER stated that [redacted] was [redacted] but she was destitute and felt she must regain the business to support herself.

On April 28, 1942, [redacted] requested action be taken against HENRY MANGER as coroner. She stated that certain personal effects were missing from the person of her father who was killed in an automobile accident. She was advised that this was a matter for the local police.

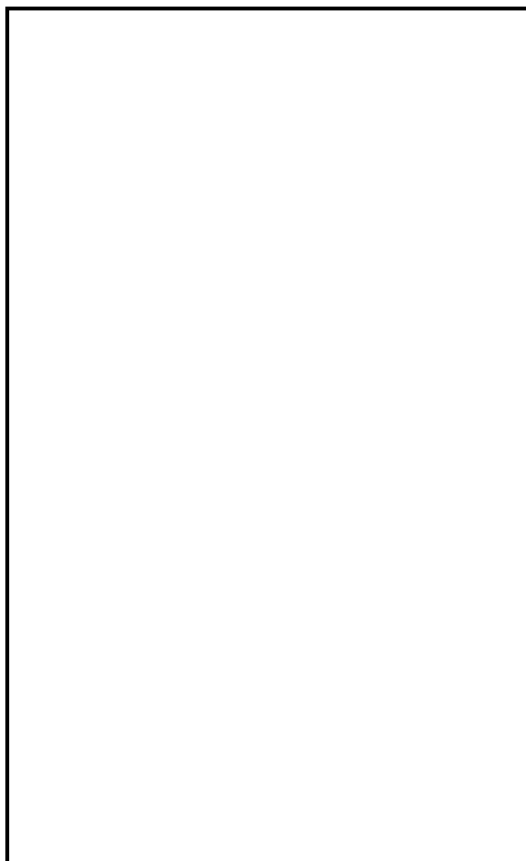

In 1944, an employee (name not listed) complained that MANGER had physical contact with employee's wife. [redacted] advised that this involved a fight, and he understood a complaint was filed with the Irvington, New Jersey Police Department.)

On January 10, 1956, a [redacted] telephonically advised that MANGER had threatened her with bodily harm. On January 31, 1956, a [redacted] telephonically advised that MANGER had wrecked her apartment and had threatened both her life and that of her child. The caller was advised on both occasions to call the police.

Under date of December 17, 1958, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups", in which their growth and objectives as well as the editor of "Common Sense" are discussed in length. The report indicates that the publication has a fluctuating circulation of between 30,000 and 100,000 copies an issue.

In the House Committee on Un-American Activities report, "Common Sense" is described as a "hate sheet" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to this report, "Common Sense" depicts Communism as Judaism and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, Negro minorities in our nation. Sympathy for the former Nazi Regime in Germany also is injected into this propaganda.

"Common Sense" is also a channel for hate propaganda being issued by numerous other individuals and organizations scattered throughout the country. The literature of these fellow-hate mongers is disseminated either through reprints in the columns of "Common Sense" or in booklets published and sold by "Common Sense".

Re Dallas letter to Director January 12, 1959.

The following is a summary of information contained in the files of the Milwaukee Office relative to the American Council of Christian Laymen, Madison, 1, Wisconsin:

"The Wisconsin State Journal", Madison, Wisconsin, January 3, 1950 issue, contains a feature article by SANFORD GOLTZ (state journal staff writer) which sets forth information as follows concerning the American Council of Christian Laymen (ACCL):

The ACCL was incorporated under Wisconsin law "last week" (December, 1949) and then had its headquarters at Madison, Wisconsin. Its acting chairman was then VERNE P. KAUB described as "retired public relations man for the Wisconsin Power and Light Company and author of a recent book 'The Challenge of Communism to Christianity'". Incorporation papers of the ACCL list its purposes is to "foster teachings of the basic principles of Christian-Americanism, particularly in and through churches and church-connected organizations" and to "fight Communism in the churches". The ACCL will engage in printing and publishing books and periodicals. Membership is open to any citizen of the United States who subscribes to the Council's principles. The Council already had members "scattered across the nation". The minimum membership fee was then \$5.00 and contributions were being received. Incorporators of the ACCL were VERNE P. KAUB of Madison and E.E. ESPELIEN, 310 Hancock Street, Madison, Wisconsin, and A. W. LARSON, 2309 Willard Avenue, Madison, Wisconsin.

ESPELIEN, formerly a Lutheran pastor in Chicago gave all the credit for the work of the ACCL at that time to KAUB.

The "Milwaukee County News" September 3, 1953 issue on Page 1, reflects that VERNE P. KAUB, President of ACCL, Madison, Wisconsin, was one of upwards of one thousand delegates representing organizations and groups in every state and territory of the United States who were expected to assemble on October 1, 2, and 3 (1953) in Omaha (Nebraska) to hold a Congress of Freedom with headquarters at the Hotel Paxton. The original call for the "Congress" was sent out by "Operation America, Incorporated" from Washington, D.C. The "call" in part reads: "...Its compulsions weigh upon people from many different angles, and provoke them to demand very specific remedies for the numerous departures from the fundamental Americanism of basic constitutional Government...".

By letter to the Director dated January 7, 1954, captioned Operation America Incorporated, the Chicago Office advised that on September 29, 1953, [REDACTED] [REDACTED] made available a photostat of a letter bearing letterhead "Operation America Incorporated, 1120 Vermont Avenue NW, Washington, D.C." The contents of this letter related to "The Congress of Freedom" stating that this would be held at Omaha on October 1, 2, and 3. Among those persons listed as representing various organizations on the Credential Committee of the "Congress" was VERNE P. KAUB, President of ACCL. (This photostat is maintained in Milwaukee File 105-3691A1 Section 2, Page 1.)

[REDACTED] also furnished a photostat of a similarly captioned letter reflecting that among others VERNE P. KAUB was firmly committed to attend the "Congress of Freedom" and that a return had been filed to Operation America Incorporated by VERNE P. KAUB, President, and [REDACTED] ACCL, Madison, Wisconsin. (This photostat is maintained in Milwaukee File 105-3691A1, Section 3, Page 3.)

MI 100-13322

By letter to the Director May 24, 1950, JOHN S. GLOVER, 90 Hartwick Street, Springfield, Massachusetts, advised that he recently received a folder captioned "How Red is the Federal Council of Churches?" published by ACCL, 122 West Washington Avenue, Madison 1, Wisconsin. GLOVER stated that the folder listed forty-nine present and past officers, leaders and prominent members of the Federal Council of Churches and that their names had been keyed to a list of forty-six Communist, Communist Front, Socialist and other subversive organizations.

The "Capital Times", Madison, Wisconsin, issue of May 4, 1953, in a feature article by RALPH L. ROY reflects that VERNE P. KAUB, founder and President of the ACCL, a private organization, has widely distributed a brochure "How Red is the Federal (National) Council of Churches?" The article continues that KAUB established his laymen's group in 1949 "to meet the need for united action in opposition to the teachings of Communism-Socialism in churches and church sponsored organizations". The article referred to KAUB as "self-proclaimed defender of Christian Americanism"; it adds that KAUB distributes literature from his headquarters in Madison and that his influence is negligible there.

Milwaukee File 100-2990-65, Page 66, reflects that a mail cover was placed on the "American Council of Soviet Friendship", 221 East Wisconsin Avenue, from September 23, 1943 to October 23, 1943. Among communications received there was a piece of mail from VERNE P. KAUB, 609 Sheldon Avenue, Madison, Wisconsin, on November 8, 1943.

The American Council of Soviet Friendship has been designated by the Attorney General of the United States pursuant to E.O. 10450.

Milwaukee File 124-560-18, Page 4, reflects that during August, 1952, VERNE P. KAUB, President of the ACCL, 122 West Washington Avenue, Madison, Wisconsin, was interviewed by SA [redacted] for information relative to the subject of a European Recovery Program case being investigated by the Milwaukee Office at that time.

b6
b7C

MI 100-13322

During this interview KAUB stated that in 1943 and 1944 when he was publicity man for the Wisconsin Power and Light Company, he was engaged as a sideline in checking on organizations and individuals he felt were subversive or that he suspected of being Communist Party Fronts. He stated that he suspected the Madison Council of American Soviet Friendship of being a front for the Communist Party and that he attended one meeting of the Madison Council of American Soviet Friendship held at the city library.

It is considered desirable at this time to review the status of this case for the purpose of determining whether the investigation should be continued, and if so, to determine the precise scope of future investigation.

There must be a proper basis for every investigation of this type and such investigations in general are confined to organizations which advocate, condone or incite violence for the purpose of denying others their rights under the Constitution. The fact that an organization sponsors unpopular causes or propaganda is not sufficient predication for investigation and the Bureau must insure that there will be no justifiable basis for any charge that such investigations infringe upon constitutional freedoms of speech, press or assemblage.

Although the publications of Conde McGinley and the Christian Educational Association which have been reviewed at the Bureau are viciously anti-Semitic, it is not apparent that they fall within the purview of the standards set forth above.

[redacted] has furnished information concerning this organization and Bulet 1-15-59 requested that New York specifically interview [redacted] regarding his knowledge as to whether Conde McGinley or his associates advocate, condone or incite violence for the purpose of denying others their constitutional rights. New York is requested to expedite this interview and if possible the results should be furnished by 2-20-59.

b2
b7D

Within two weeks of the receipt of the results of interview with [redacted] Newark is requested to submit a recommendation as to whether this investigation should continue. The recommendation should be fully documented. You should also set forth in detail any facts indicating that McGinley, the Christian Educational Association and/or associates either do or do not advocate, condone or incite violence.

[redacted] was interviewed on 1/30/59 by SA [redacted] in accordance with instructions in referenced Bulet. He stated that from his own knowledge he could not furnish any specific instance which would prove that CONDE MC GINLEY or his associates advocate, condone or incite violence for the purpose of denying others their constitutional rights. He stated, however, that he believes MC GINLEY is a dedicated fanatic and although he will not openly write advocating violence, that such can be inferred from various writings in his newspaper "Common Sense" and from his cooperation in the past with various anti-Semitic and anti-integration groups. He stated that in his opinion it can be concluded from MC GINLEY's writings and actions that he desires the elimination of all minority groups and probably feels that this must be accomplished by violence.

This source was unable ^{to} furnish any specific facts to substantiate his opinion that MC GINLEY would advocate violence, and based his opinions mainly on various articles which have appeared throughout the years in MC GINLEY's literature.

It is to be noted that this source receives all of his information concerning CONDE MC GINLEY's activities from a source whom he termed reliable but whose identity he did not wish to disclose.

The NYO is in constant contact with this source and will be alert to furnish any information obtained by him concerning MC GINLEY which would prove that MC GINLEY advocates, condones or incites violence.

ReBulet to Newark, 2/5/59.

The status of this case has been reviewed and although the Christian Educational Association is very anti-Semitic, there is nothing specific to show the organization advocates, condones, or incites violence in racial matters.

The following tabulation would tend to support this conclusion:

1) Extensive investigation of CEA has failed to reveal any connection between the organization and any racial violence other than the fact that "Common Sense" has been distributed in the areas affected.

2) [redacted] advised on 1/30/59 that from his own knowledge, he could not furnish any specific instance which would prove that CONDE MC GINLEY or his associates advocate, condone, or incite violence for the purpose of denying others their constitutional rights. [redacted] receives all of his information from a source which he terms reliable but whose identity he does not wish to disclose. This undisclosed source is reportedly a close associate of MC GINLEY and enjoys his confidence. It is believed if MC GINLEY or his associates were connected in any way with violence, he would know about it and report it to [redacted]

3) In an interview on 10/24/58 with Bureau agents, MC GINLEY advised that he believes the Jewish leaders themselves bombed the Synagogues in order to get public sympathy and to stir up anger against those that oppose them. The articles in "Common Sense" tend to hold to the same view.

- 4) MC GINLEY has claimed that he does not hate the Jews but only the Zionist Movement. In the January 1, 1959 issue of "Common Sense", he cited the bombing of a synagogue in Algeria by Moslem terrorists in which eight worshipers were injured, as "bonafide anti-Semitism".
- 5) MC GINLEY advised in the interview on 10/24/58 that he regularly attends a Roman Catholic Church.
- 6) A review of "Common Sense" and other publications of the CEA has been made and it appears that "education" of the people concerning the "evils" of Zionism is the method of combat indicated rather than violence.

It is recommended that this investigation be discontinued as per the last paragraph of memolet.

At present there are a few outstanding leads in other offices and should the recommendation be approved, the case will be closed on submission of the next report and coverage of the leads previously not cut.

On 1/14/59, Mrs. VELMA HARBERT (wife of WILLIAM A. HARBERT, JR.), P. O. Box 801, West Memphis, Arkansas, furnished the following information telephonically to SA CYRIL F. BUSCH:

Approximately two months ago her husband, who is a salesman for Woodson & Bozeman, Inc., wrote a letter to the Editor of the Commercial Appeal, which was published, setting forth his views that the law and the Constitution do not require integration in schools.

Obviously as a result of this letter to the Editor, he recently received in the mail at West Memphis, Ark., a letter postmarked 1/5/59 at Little Rock, Ark. This letter bore the return address of Mrs. JOHN M. WATKINS, 1722 Broadway Blvd., Little Rock, Ark., and was signed MIRIAM WATKINS. This handwritten 2-page document agrees with Mr. HARBERT's position on the lack of lawful basis for integration. It further alleges that the NAACP is controlled by "Zionists" and "One-Worlders" who are masters of propaganda and deceit. Enclosed with the letter from Mrs. WATKINS were two pamphlets or portions of newspapers entitled, "Common Sense" and "The Worker" to support the proposition promulgated by Mrs. WATKINS. *Document (see report from busch)*

Mrs. HARBERT stated that she will mail all of the material referred to above to the Little Rock Office.

Re Dallas letter to Bureau 1/12/59.

Relet requested indices checks on persons named as

b7D

On 1/22/59, Mr. ALLYN THAMES, Owner, General American Credit Co., Montgomery, Ala., made inquiry and ascertained that the Wetumpka Printing Co., Wetumpka Herald, Wetumpka, Ala., very recently changed their corporate name to Wetumpka Publishers, Incorporated. He advised that the owners of this corporation are principally Mrs. H. H. GOLSON, Wetumpka, Ala., Mr. HAROLD FISHER (named as Publisher of Wetumpka Herald), and Mrs. FLORENCE FISHER, nee GOLSON, wife of HAROLD FISHER, Editor of the Wetumpka Herald. Mr. THAMES said that this company does job printing and publishes the Wetumpka Herald, and takes in work printing other periodical publications. He was unable to name any other publications printed by that company.

As a matter of possible additional pertinency, it is known that Wetumpka, Ala. is the home of Rear Admiral (Ret.) JOHN CROMMELIN, noted anti-Semite, who has been reported in the past by [redacted] as having distributed or caused to be distributed in the Central Alabama area, the publication "Common Sense". CROMMELIN is considered an influential person in Wetumpka, and it is deemed possible that CROMMELIN writes material for the CEA of Union, N. J. (pamphlets, leaflets, and the like) and for convenience and security, takes this material to the Wetumpka Publishers, Inc., to be printed and possibly mailed.

Mobile indices are negative on the Wetumpka Printing Co., the Wetumpka Herald, Wetumpka Publishers, Inc., Mrs. H. H. GOLSON, HAROLD FISHER, FLORENCE FISHER, and FLORENCE GOLSON.

Mr. THAMES was unable to more closely identify the GOLSONS and FISHERS named above. He recommended that one Mr. JONES, an officer of the First National Bank of Wetumpka, would have information identifying those persons, and is usually willing to furnish information. However, in view of the fact that the persons thus subject to inquiry are publishers with apparent business connections at least with captioned group, and in view of the fact that Wetumpka is a very small town, and noting further that Admiral CROMMELIN has already once taken a very slim opportunity to severely and laboriously criticize the Bureau, no overt investigation at Wetumpka concerning this matter is contemplated.

In the event that Newark desires further investigation of this facet of operations of captioned group, Bureau authority should be secured prior to requesting the investigation.

On 12/15/58, Mrs. ROSALYND POLING, Clerk, West Virginia Secretary of States's Office, Charleston, West Virginia, advised SA JOHN B. WOODRUFF that the West Virginia Anti-Communist League Inc., Huntington, West Virginia, is still an active corporation in West Virginia. CONDE MC GINLEY, Union, N.J., is one of the incorporators. The charter of incorporation was issued on 12/7/50. The charter limits the members of the corporation to persons who are interested in and are willing to support the dissemination of anti-Communist news and information.

GLENN L. HULL, 361 Norway Avenue, Huntington, West Virginia, made available to the Pittsburgh Office a copy of a one-page statement dated 1/31/54 and directed "To All Patriotic Americans - Nationalists" which was issued by the West Virginia Anti-Communist League Inc. Rerep SA FRANCIS W. NORMOOD, 11/21/58, Memphis.

Attention is invited to the fact that referenced report contains the allegation that one VANCE MAXIE STEVENSON attended a meeting at the CARL LYONS residence, Atmore, Ala., which was believed to be Confederate Underground meeting held in May 1958. It is noted that referenced report goes on to prove by employment records that STEVENSON could not have attended such a meeting in Atmore, Ala. during May of 1958.

The above is the only information received to date in the Mobile Division indicating the possibility that CARL LYONS is connected with the Confederate Underground, and investigation has failed to confirm or disprove that such meeting took place. It is therefore being left to the discretion of the Office of Origin as to what portion, if any, of the following information relative to CARL FRANCIS LYONS should appear in a disseminated report entitled "CONFEDERATE UNDERGROUND, aka, RACIAL MATTERS".

CARL FRANCIS LYONS became known to the Mobile Division when on 6/7/54 he appeared in the Resident Agency and made a non-specific complaint to the effect that a RAYFIELD GOLDRINGER, whom he had met in a motel, appeared to be sympathetic toward Communism.

On the same date, LYONS appeared at the office in Mobile, was interviewed by ASAC WALLACE R. HOAGLUND. He said that he had been following Communism in its national and international aspects, and considers himself an authority; that the purpose of his call was to get the FBI's viewpoint on this country's international dealings with Communist Russia.

On 12/8/58, Chief of Police CLARENCE BRYARS, Atmore, Ala., advised SA JULIE R. HERBERT that CARL FRANCIS LYONS had moved into Atmore about 1951 when he had married WILLIE DOGIE OWENS, the widowed daughter of an old Atmore family; that he spent very little time in Atmore, traveling around the country making speeches on the subject of Communism. He stated that LYONS had the reputation in Atmore of being "a little touched" on the subject of Communism.

On 12/10/54, [redacted] Postmaster, Atmore, advised that LYONS was known to him as a person who spends most of his time fighting Communism. He stated that LYONS travels around the state making speeches and is very seldom in Atmore. He said he also engaged in distributing considerable literature and received at that time 60 to 80 pounds of letter material per week through the Atmore Post Office.

[redacted] stated that on frequent occasions LYONS had given him samples of his literature; that these were usually copies of the "Williams Intelligence Summary" and "Common Sense", and similar literature, which was both anti-Semitic as well as anti-Communist.

On 10/6/55 Mrs. JOHN RALSTON, 2004 Mount Neigs Road, Montgomery, Ala., advised SA [redacted] that LYONS had contacted her and appeared to be distributing literature of a Ku Klux Klan variety. She stated that her husband had formerly been the chaplain or assistant chaplain at Kilby Prison and had been acquainted with LYONS when he was a prisoner there.

Mrs. RALSTON said that LYONS claimed to be representative of some organization in which GERALD L. K. SMITH and GERALD WINROD were leaders, and said that he was doing organizational work and wanted a place to speak and address a group of friends of Mr. and Mrs. RALSTON in Montgomery.

M. S. DEAN, Identification Officer, Kilby Prison, Montgomery, Ala., advised that CARL LYONS was sentenced to Kilby Prison from Jefferson County, Ala. for four cases of forgery second degree, on 2/15/38; that he received two to four

On 4/21/56 CARL FRANCIS LYONS of Atmore, Ala. had contacted him at the Southern Gartridge Co. and claimed that he was fighting Communism and stated he was selling subscriptions to "Common Sense", described as an anti-Communist newspaper. CURRENT INVESTIGATION

AT ATMORE, ALABAMA

The following investigation was conducted by SA
JULE R. HUREERT:

On 12/8/58, H. CECIL KILPATRICK, JR., advised that he had moved to Atmore, Ala. approximately two years ago and had purchased the Gray Oil Co., which is now the wholesale distributor for the Shell Oil Co. in this area. He said that for many years prior to his purchase of the company, DOGIE OWENS TEETER LYONS, who is also Mrs. CARL FRANCIS LYONS, had been head bookkeeper of the Gray Oil Co., and that she continues to be employed in that capacity by him.

He said Mrs. LYONS has a grown married daughter in Bay Minette, Ala. and a daughter in high school at Atmore by her previous marriage, and no children by LYONS. He understands she married LYONS in about 1951.

Mr. KILPATRICK said that Mrs. LYONS never talks about her husband or about her business at home, and that he would hesitate to ask her about LYONS' activities, as he is under the impression that she probably sympathizes with same. He stated that LYONS has come into his office and talked to him on several occasions. He stated that LYONS was always extremely well dressed and gives the appearance of affluence, from which he concludes that he either is making good money or has a liberal spending account; that LYONS continues to drive a Plymouth station wagon, black with a light colored cream or off-white top, which he estimated to be about a 1955 model. He said that this station wagon is always kept meticulously clean and polished and is always loaded down with a large quantity of literature and files. He said that across the back of the car is a sign on the rear glass which he believes is as follows, "Jesus is the Answer".

KILPATRICK said that LYONS, since he has known him, has spent very little time in Atmore and when he is there he

lives with his wife at the OWENS family home, which is a large colonial type mansion set back about 200 yards from the highway in a plot of 100 to 120 acres of farmland. He stated they have no near neighbors and he knows of no social acquaintances and contacts which they have in Atmore, although Mrs. LYONS is very active in the Pilot Club and in other civic affairs.

KILPATRICK said that LYONS has talked to him in his office on a number of occasions, at which he invariably mentions his fight against Communism, and usually makes some attack on the Jews. He said that he has not asked LYONS questions as he attempts to make these talks as short as possible, and has only suffered with him as much as he has because of the fact that LYONS' wife is employed by him.

About a year or more ago, LYONS appeared in his office and told him that he had just been to Washington, D. C. to an important meeting, and claimed that he had in the back of his car copies of every treaty that the United States had ever made. He asked KILPATRICK on that occasion if it was not a fact that KILPATRICK's father is a practicing attorney in Washington, D. C., and when KILPATRICK confirmed this, asked him "does he know of the Jewish-Communist conspiracy to rule the world and what danger we're in".

During the period of the Democratic primary election in Alabama during April and May of 1958, LYONS was in his office on one or two occasions and talked as if he was having a very active part in the governor's campaign and as if he were a leader of someone's party. He said, however, that he never said just who he was going to vote for but he recalls that he was very much against GEORGE WALLACE, and although he frequently dropped the name of Admiral JOHN CRONIN and intimated that he was very close to Admiral CRONIN, KILPATRICK stated that he still drew the conclusion that CRONIN was not considered by LYONS as a serious candidate and that he was pushing someone else.

KILPATRICK said he also recalled a conversation with LYONS about eighteen months ago when LYONS had just returned from one of his long trips, at which time he said that the FBI had turned to the NKVD, that we could not rely on them to protect us from Communism, and that we could not rely on our telephone systems and other lines of communications. He said that LYONS advocated that all good citizens should have firearms

in their homes and that a system should be set up of a line of communications to pass the word in event of an emergency from one small town to another. He said, however, that LYONS had never made it clear who he meant by "we"; that he has never known him to drop any name except that of Admiral CROMMELIN and he knows of no organization that he claims to represent except the Christian Education Association of Union, New Jersey.

Mr. KILPATRICK stated that he had not seen LYONS for several months; that he understood that LYONS was around Atmore for a month or more during the summer of 1958, and had speculated as to whether he had lost his job, however, he had seen him all packed up and leaving town about two months ago, and had not heard from him since.

On 12/15/58, Mr. KILPATRICK advised that LYONS was back in town; that he had seen him that morning and LYONS had asked him to ride up to Greenville, Ala. and back with him that day, that he had to go up there on business. KILPATRICK declined the invitation.

On 12/20/58 Mr. KILPATRICK advised that he had seen LYONS again that day, and when KILPATRICK told him that he was going to Washington, D. C. for the Christmas holidays, LYONS had said "I will be up there right behind you". He said he asked LYONS if he was not going to be home for Christmas and he stated yes, he would be in Atmore for Christmas but had to be in Washington, D. C. on 1/4/59 to attend a very important meeting.

On 12/8/58, DOUGLAS WEBB, Attorney at Law and State Senator-Elect, advised that he had never known LYONS but knew his wife and knew of his existence. He said that he had seen an advertisement in "South" magazine in which said magazine had said that he was not a representative of them, and he had also read some letters to the editors of several papers written by CARL LYONS of Atmore, Ala. Sometime during the primary election last spring, LYONS came into his office and expressed the opinion that it appeared that WEBB was about to be elected to the Senate of Alabama and that he wished to talk to him and help him. He advised WEBB that going up to the Senate for the first time, that he would be like a babe in arms in Montgomery unless he had someone to advise him about the Zionist and Negro conspiracy.

Senator WEBB said that he could not recall the name of LYONS' organization but he remembers him saying that his organization was the only one with financial ability to fight the worldwide Jewish conspiracy. He said he had the most complete files on the Jewish conspiracy in existence, and mentioned that he was working with Admiral GROMELIN of Montgomery on this matter. WEBB stated that he quickly thanked LYONS for his interest and got him out of his office.

On 12/12/58, JACK C. LUFKIN, Alabama Probation Officer, advised that CARL FRANCIS LYONS, Alabama Prison No. 30689, filed an application with the Alabama Board of Pardons and Paroles on 3/9/57 asking for pardon after expiration of sentence and restoration of civil rights after having served sentences of two to four years on each of four counts of Forgery in Jefferson County, Ala. This application describes him as a white male, age 50, and gives the following character references:

JOE VEITCH, Auto Service, Tusculloosa Ave.,
Birmingham, Ala.;

CONDE MCGINLEY, Christian Education Association,
530 Chestnut St., Union, New Jersey;

Dr. M. E. PETTY, 303 South Main St., Atmore;

THOMAS NOLAN, 2001 Youngs St., Pensacola, Fla.

This application reflects that since service of sentence he had been employed by the Raja Humphrey Lumber Co., Montgomery, Ala. February 1946 to June 1946; by the Alabama News Magazine of Birmingham from 7/1/46 to Thanksgiving of 1951; had been self-employed in the business of landscaping and advertising at Atmore, Ala. from January 1952 to 3/9/57.

Mr. LUFKIN said his investigation indicated that LYONS had married WILLIE BESSIE OWENS TREETER on 12/8/51, and almost immediately thereafter had moved to Atmore. This was shortly after he had been dismissed by the "South" magazine in Birmingham. LUFKIN stated he interviewed LYONS in front of the OWENS family home in April or May of 1958 relative to said application for pardon. He said that he had had to wait some time before he was able to talk to LYONS as there were

several men there to see him at the time, and that after they left LYONS had apologized and said that the men were Ku Klux Klansmen from Pensacola, Fla. LYONS told him that he was then self-employed doing economic and religious survey work in connection with his advertising and sales work. He did not specify the type of advertising, but stated that all of his work since 1954 has been in connection with the segregation issue. He said that before 1954 he had done landscaping and advertising and that the landscaping was for the Williams Surgery in Frisco City. LUFKIN stated that this business was no longer active and GEORGE WILLIAMS, the former owner, is now living in Mobile, Ala., and he did not interview him during his investigation.

He stated that during his interview with LYONS, LYONS had stated that two of the then candidates for governor of Alabama in the primary election of 1958 promised that they would make him Chief Investigator for "an un-American activities committee to be created in the next Legislature". He did not specify the names of these two candidates and he also in the course of the conversation had said "I had twelve students in Tuscaloosa who were responsible for keeping AUTHERINE LUCY out of the University of Alabama".

LUFKIN stated that the only one of the named character references that he interviewed or caused to be interviewed was Dr. W. M. PETTY, a chiropractor in Atmore, Ala., and he stated that it is commonly known by him and others in Atmore that Dr. PETTY had led a Ku Klux Klan parade in Atmore during the summer of 1957. He said Dr. PETTY highly recommended LYONS and described him as being well educated and sincere in his efforts to prevent integration. He commented that we need more men like him.

Concerning Dr. W. M. PETTY, Reverend HARDY H. PEEBLES, Daphne, Ala., advised SA'S JOSEPH T. BOSTON and [redacted] on 8/7/58 that the Association of Alabama Knights of the Ku Klux Klan had decided in July 1958 not to hold any regular meetings or engage in any regular activity. He said that the group would continue to exist as one Klavern and would hold two or three public meetings a year to tell people how they can oppose integration by lawful and political means. He advised that Dr. W. M. PETTY, Chiropractor, Atmore, Ala., age about 45, was Vice President of the group, PEEBLES being President of the group. PEEBLES had advised on 9/23/57 that

b6
b7C

MO 105-363

his group had in June 1957 pulled away from the Gulf KKK, Mobile, Ala., and is not affiliated with any other Klan group and is opposed to use of violence. Closing report was submitted on this group 9/23/58.

Mr. LUFKIN stated he also contacted Mayor H. H. DEES of Atmore, and that Mayor DEES had told him that he considered LYONS to be a crazy, dangerous radical and that on one occasion he, DEES, had attended a meeting of the White Citizens Council at Pensacola, Fla. and had declined to sit on the platform when he found that LYONS was going to make a speech to the meeting.

He said that CLAUDE D. KELLEY, President of the Graham Oil Co., told him that LYONS had called on him on several occasions in reference to his organizational work, and that he had eventually asked him not to come back into his office. He said KELLEY told him that in his opinion LYONS would take any stand on any issue where he could see money in it.

On 12/12/58, CLAUDE D. KELLEY, President of the Graham Oil Co., who has been President of the National Wild Life Federation for the past nine years and has been designated by the incoming Governor of Alabama as Director of Conservation for the State of Alabama, said that he knew of LYONS when he first came to Atmore, having heard from him through his friendship with the editor of "South" magazine. He stated that LYONS contacted him several times, that he was talking about the Jewish-Communist conspiracy and apparently was seeking an opportunity to use the wide membership of the National Wild Life Federation to spread his propaganda. Mr. KELLEY said that the only organization he recalls LYONS mentioning was the Christian Education Association of Union, New Jersey, and he spoke of the fact that "we need to work through organizations like yours". Mr. KELLEY confirmed that he had asked LYONS not to come back to his office. He added that he was personally active in the organization, the White Citizens Council in Escambia County, Ala., and that immediately after the Council started organizing that LYONS had attempted to get into the act and that he, KELLEY, had warned the leaders that he knew of White Citizens Councils throughout Alabama of LYONS' anti-Semitic attitude and warned them not to use him as a speaker. He stated, however, that he understood

EO 105-363

that Dr. W. M. PETTY had used LYONS for a speaker at some meeting, probably in Pensacola, Fla., and he was not sure whether it was a White Citizens Council or a Ku Klux Klan meeting.

On 12/19/58, Mrs. RONIE MCGRORY, Clerk, Escambia County Credit Bureau, revealed that they first made a report on CARL FRANCIS LYONS in October 1952, at which time he claimed he had been working for the Alabama News Magazine on a commission basis for approximately \$10,000 per year. She stated that she made a credit report on him on 12/4/58 on which date she contacted his wife to secure information relative to him. She stated that LYONS' wife advised that he was employed by the Christian Education Association of Union, New Jersey, doing Bible research work in connection with his position as solicitor for this company. The wife did not divulge his income or estimated income on this interview, but stated that he was working to secure a doctor's degree, doing considerable Bible research in connection therewith, but could not tell what University he was doing this work for. The credit bureau report contained no new information not reported above, but showed that he had a considerable credit record in the Atmore area, all very satisfactory, and bears the statement, "no derogatory information developed".

Other persons contacted during this investigation are:

CLARENCE BRYARS, Chief of Police, Atmore;

HOUSTON WORTH, Constable;

CHARLES SHANKS, ex-Deputy Sheriff;

ALTON KELLER, Deputy Sheriff;

JOE SNEED, President, Bank of Atmore;

ROBERT MAXWELL, Attorney at Law;

H. C. WILLIAMS (who advised that he had seen very little of LYONS during the past year and LYONS was no longer receiving large quantities of mail at Atmore as he previously had).

All of the above persons listed are somewhat familiar with LYONS' distribution of anti-Semitic and anti-Communist literature but none of the persons interviewed had any knowledge of LYONS' ever holding any type meetings at the OWENS home or elsewhere in Atmore, with the one exception of Mr. LUPKIN who stated hereinabove that on the night he went to LYONS' house there was a group of men there talking to LYONS.

Re Newark memo to San Francisco 2/3/59, and Newark memo to Bureau 1/30/59.

AT BREWTON, ALABAMA

On 2/4/59, automobile registrations in Office of Probate Judge of Escambia County, Ala. reflected that Alabama 1959 license 30-2309 was registered to CARL F. LYONS, Atmore, Ala., 10/18/58 for a 1955 Plymouth four door, SN 72223864.

Probate Judge REO KIRKLAND stated that this could be an error and the automobile for which license issued could be a station wagon. It may be noted that it is known that LYONS does own and drive a 1955 Plymouth station wagon.

AT ATMORE, ALABAMA

On 2/4/59, CECIL KILPATRICK, JR., advised that early in January 1959 CARL F. LYONS was at his place of business driving his 1955 two tone Plymouth station wagon and pulling a luggage trailer. He said LYONS told him that he was leaving town that day for Washington, D. C.; that he had to go to West Alabama to pick up someone who was going with him and was then going back through Georgia to hit U. S. #1. He asked him why take the circuitous route, and LYONS explained he had a meeting to attend in either North or South Carolina enroute.

LYONS told him he was going to Washington to a meeting and to do some lobbying relative to a proposed immigration law; that he was then going to New Jersey to bring back the car and trailer loaded with "patriotic literature".

For information of Newark, there is enclosed herewith copy of Mobile memo to Atlanta 1/8/59 entitled "Confederate Underground, aka, RACIAL MATTERS", which memo sets forth information concerning LYONS. RUC

Re Dallas letter to Bureau dated 1/12/59.

The files of the San Antonio Division reflect that on 5/9/56, another governmental investigative agency advised that on 4/26/56, an individual identifying himself as "MUNSELL" (apparently identical with LEROY L. MUNCY) went to the USO Club, 117 South 5th Street, Temple, Texas, and stated that he was a volunteer worker for the "Civil Rights Committee" and an insurance man. He reportedly produced literature which he wanted posted on the bulletin board. Included in this literature was a booklet reportedly entitled "Civil Rights" and a pamphlet entitled "Freedom of Choice, Americanism versus Communism". He stated he was from Waco, Texas, formerly served in the U. S. Navy, and spoke at length about segregation, particularly in hotels and sleeping establishments. This source described "MUNSELL" as about 60 years of age, six feet tall and weighing about 180 pounds.

The pamphlet "Freedom of Choice, Americanism versus Communism", a copy of which is in the files of the San Antonio Division, relates that "Freedom of Choice" is a "legally organized institution devoted to preserve the American way of life and to protect your rights that are guaranteed by the Constitution of the United States of America.

"Freedom of Choice stands for:

Freedom of religion
Freedom of speech
Freedom of press
Freedom of peaceful assembly
Freedom of organization

FREEDOM OF CHOICE, Inc.
P. O. Box 125
Waco, Texas

On 5/17/59, [redacted] Clerk, Superintendent of Mails Office, U. S. Post Office, Waco, Texas (protect identity), advised SA [redacted] that P. O. Box 125 was rented by "L. L. MUNCY, Freedom of Choice".

The 1953 City of Waco Directory reflects LEROY L. MUNCY resides at 3141 Reuter Street, Waco, Texas, wife named PAULINE, and indicates his occupation as "Pres. FREEDOM OF CHOICE, Inc." Prior directories indicate MUNCY has resided at the above address since 1951.

On 2/25/59, Mrs. MARY CLEAVELIN, Clerk, Identification Division, Waco, Texas, Police Department, advised that these records reflected speeding tickets had been given LEROY L. MUNCY, 3141 Reuter Street, on 2/17/58 and 8/6/58. Those records reflect that MUNCY was born on 6/6/1899, place not indicated.

On 2/11/59, Mrs. DOROTHY BARRON, Clerk, Retail Merchants Credit Association, Liberty Building, Waco, Texas, advised SA [redacted] that these records reflect that LEROY L. MUNCY had been known to that office since 1932 when he moved to Waco, Texas, from Lockney, Texas, and was a salesman at that time for the Maytag Company of Waco, Texas. Credit sources at Lockney, Texas, advised the Waco Office that MUNCY, at that time, 1932, was thirty-four years of age, a former carpenter and farmer and had been known in that area "all his life" and was "highly regarded for moral character and reputation and belongs to one of our best families". These records

CA 62-2525

further reflected that in 1934 MUNCY sold advertising novelties for the American Art Works, Inc., Coshocton, Ohio, and in 1936, he was traveling for the Bone-Crow Co. (printing business) of Waco, Texas. In 1948, it was indicated by this source that MUNCY was "in the merchant marine".

These records also reflected that an assumed name had been filed at the County Clerk's Office, Waco, on 3/6/56, for "Freedom of Choice", that it was incorporated for benevolent purposes with no capital stock under Charter No. 131434 by L. L. MUNCY, W. J. DURKEE, and THEODORE ENGSTROM. MUNCY's wife was identified as the former PAULINE ROBERTS. These records reflect that THEODORE ENGSTROM resided at 3531 Waco Drive in April 1956, having recently moved from 1309 Rolando Street, Garland, Texas, occupation not indicated. These records indicate that WILLIAM JAMES DURKEE, born 12/26/1889, address 2501 Stewart Drive, Waco, Texas, was employed in 1951 as a representative of State and County Fire Insurance Company of which TYLER DAYTON is president. It is noted that DAYTON was a leader in the organization of the Waco Citizens Council in about 1955, an organization formed for the purpose of delaying or preventing integration in the public schools of Waco. This organization has been dormant for the past two years.

Contacts of CONDE MC GINLEY, editor of "Common Sense" published by the CHRISTIAN EDUCATIONAL ASSOCIATION, Union, New Jersey, include the Albina Tourist Agency in Arab Jerusalem and Dr. JOHANNAS VON LEERS, an instructor at the Language School for Students attached to Cairo University. The Albina Tourist Agency is operated by the ALBINA family and ANTONINE ALBINA publishes a volume of material, often times showing Arab women and children massacred by Zion terrorists in 1948. MC GINLEY receives and distributes pro-Arab propaganda of the Albina Tourist Agency. LEERS is a former Nazi and was head of a HITLER youth newspaper in 1935. Series of 5 articles appeared in "New York Daily News", 1/20-24/59, written by DAVID BURK and entitled "Peddling Hate in America: Egypt's Nasser". The Committee on Un-American Activities in a report issued on December 17, 1954, characterized "Common Sense" as a "hate group" vehicle, publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

In about June or July, 1957, IRVING FISHMAN, Deputy Collector of Customs of the Port of New York, advised the Department of Justice, Washington, D. C., that CONDE MC GINLEY at Box 807, Union, New Jersey, was receiving from overseas propaganda materials. FISHMAN provided the following two samples:

(1) One copy of an article entitled "Angelo-French 'Police Action' (?) in Port Said", by PER-OLOW ANDERSON, who was described in the article as the "Swedish Journalist Photographer". The article was printed for "World-Truth, Box 44, Jerusalem, Jordan". Photographs and the text of the article describe "Imperialism, aggression, terror, murder, crime" perpetrated by the "Anglo-French forces which invaded Egypt under the pretense of restoring peace".

(2) One copy of the January, 1957, issue of a magazine entitled, "The Scribe". The magazine was printed by "DAR AL-HILAL". Many photographs and some text, all by PER-OLOW ANDERSON, make up the magazine. "The Scribe" describes the "looting and stealing" by British troops at Port Said.

NK T-1 on August 2, 1957 stated that MC GINLEY had received between five hundred and one thousand copies of a sheet entitled "Anglo-French Police Action (?) in Port Said" from one ALBINA, a tourist agent in Jordan.

Dr. JOHANNAS VON LEERS was born January 25, 1902 in Germany. In 1928 he worked for the German Foreign Office in the diplomatic service. In 1929 he became a member of the Nazi party and in 1935 was head of a HITLER youth newspaper. He resided in Germany until 1950 when he went to Buenos Aires, Argentina. ~~(S)~~ (U)

As of October, 1957 LEERS was working as an instructor in languages at the Language School for Students attached to Cairo University, where he is a guest professor for history of literature. NK 105-6847

Mr. WILLIAM F. TOMPKINS, Assistant Attorney General, Internal Security Division, U. S. Justice Department, by memorandum dated July 11, 1957, indicated that CONDE MC GINLEY, Box 807, Union, New Jersey, was consigned certain propaganda materials. This material included a statement by PERLOW ANDERSON concerning the invasion of Egypt.

NK T-1 stated on August 2, 1957, that the subject had received between five hundred and one thousand copies of a sheet entitled, "Anglo-French Police Action? in Port-Said", which contained statements by PERLOW ANDERSON concerning the invasion of Egypt. NK T-1 indicated MC GINLEY received these sheets from one Albina, tourist agent in Jordan. He said that MC GINLEY has received similar pro-Arab propaganda from this source from time to time, but to his knowledge MC GINLEY has no arrangement with this individual and usually distributes this literature gratuitously along with other material which MC GINLEY publishes. NK T-1 added that MC GINLEY had stamped these sheets with his own name "CHRISTIAN EDUCATIONAL ASSOCIATION, Union, New Jersey" which is the organizational name under which MC GINLEY operates.

NK T-1 indicated that he has no information which would indicate that MC GINLEY is acting at the order, request or under the direction of a foreign principal in this matter.

NK T-1 further indicated on September 13, 1957, that MC GINLEY has been including the above described sheet in his regular mailing to persons throughout the United States, but that no special use has been made of this article.

The files of Central Records, Immigration and Naturalization Service, Washington, D. C., reviewed on May 27, 1957 by SE [] revealed that PER-LOW WILHELM ANDERSON was born in Stockholm, Sweden on March 30, 1911, and arrived in the United States at New York City on February 13, 1957, traveling on Swedish Passport UK 3050, issued at Cairo, Egypt. His occupation was listed as "Photographer - Reporter".

NK 105-6847

NK T-1 indicated on April 25, 1957, that the Acting Executive Director of the AMERICAN FRIENDS OF THE MIDDLE EAST (AFME), had submitted a memorandum dated March 12, 1955, to the Board of Directors of AFME regarding the publication of a book of photographs produced by PERLOW ANDERSON, which dealt with Arab refugees in the Gaza Strip.

This memorandum reflects that the Middle East Director of AFME had requested the New York Office of AFME to welcome Mr. ANDERSON and to arrange a press conference, reception, possible speaking tour and exhibits of his pictures, under AFME sponsorship. This entire situation was discussed with Mr. ANDERSON following his arrival and it was agreed that AFME sponsorship of ANDERSON's visit to the United States would be of dubious value to both ANDERSON and AFME. The memo also states that out of a sense of obligation to the Middle East Director, hospitality was extended to Mr. ANDERSON and his wife, and AFME assisted him unofficially in making contacts with certain Arab officials and various interested American citizens. The Acting Executive Director accompanied ANDERSON to Chicago for a conference with HENRY REGNERY for the purpose of exploring the possibility of publishing ANDERSON's photographs regarding the human side of the Arab refugee situation. This memorandum states that Mr. REGNERY agreed to publish the book, but indicated that an advance guarantee of \$10,000.00 would be needed. During the conference with Mr. REGNERY, the Acting Executive Director made a tentative commitment of \$1,000.00 from AFME.

This memorandum recommended that the Board of Directors of AFME authorize the Acting Executive Director to pay \$1,000 to the Henry Regnery Publishing Company to assist in the publication of ANDERSON's picture book, upon written assurance that the book would be published, and that AFME would receive copies of the book in return for this amount of money.

It is noted that a leaflet entitled, "AFME, What It Is . . . What It Does . . . How It Works . . ." which was circulated during the early part of 1956 by the AMERICAN FRIENDS OF THE MIDDLE EAST, INCORPORATED, 47 East 67th Street, New York City, reflects that the AMERICAN FRIENDS OF THE MIDDLE EAST, INCORPORATED, which was founded on May 15, 1951, is a private, non-profit, non-political, intercultural organization with human relations as its sphere of interest. Through an interchange of ideas, it seeks to build and maintain bridges of friendship between the people of America and the people of the Middle East. According to this leaflet, the purpose of this organization is to enable Americans, through lectures, publications and other means, to come to a better understanding of the many contributions Middle Eastern people have made to culture and civilization. Its purpose is also to bring to the attention of the people of the Middle East, those values in our civilization which might be of great value to them in adjusting their way of life to the rapidly changing conditions of our age.

NK T-1 on April 25, 1957, furnished a copy of the November, 1956 News Letter of the Palestine Arab Refugee Office, 801 Second Avenue, New York City, which contained an article by ANDERSON concerning the British-French invasion of Port Said.

It is noted that in June, 1955, the Palestine Arab Refugee Office, 801 Second Avenue, New York City, registered with the Foreign Agents Registration Section, United States Department of Justice, as an agent of the Arab Palestine Office for Refugees, Beirut, Lebanon.

NK T-1 on March 19, 1957, made available a booklet entitled, "Anglo-French-Israeli Aggression Against Egypt", which was distributed by the Egyptian Embassy, Washington, D. C., and page one of this booklet is captioned "An Eye-Witness Account of British-French Invasion of Port Said by the Swedish Newspaperman PERCLOW ANDERSON".

~~SECRET~~

~~SECRET~~

NK 105-6347

NK T-1 on March 19, 1957, furnished a copy of the November, 1956, edition of "The Scribe" which is a monthly magazine published by the Centre for Middle East Research, Cairo, Egypt. This edition consisted of reproductions of photographs and an explanatory introduction by PERLOW ANDERSON. The foreward of this magazine is quoted as follows:

"'The Scribe' publishes with regret the text sent to the Press Agencies of the world, by the Swedish Journalist-Photographer Per-Olow Anderson, who went to Port-Said two hours after the city was 'policed' by the Anglo-French forces which came to Egypt to restore peace after Egypt was invaded by Israel.

"'The Scribe' apologizes for publishing these gruesome photos which hardly need any explanation, apart perhaps from stating that they were taken in Port-Said on Tuesday, November 6th 1956."

HENRY REGNERY, President, Regnery Publishing Company, 64 East Jackson Boulevard, Chicago, Illinois, advised SA LLOYD H. NELSON on May 8, 1957, as follows:

Subsequent to the British-French invasion of Egypt in late 1956, FREDA UTLEY, well known authoress, Washington, D. C., who had met ANDERSON in Middle East, suggested to latter that he contact the Regnery firm relative to the publishing of his book concerning the Middle East situation.

Several weeks ago, ANDERSON, whose wife has relatives somewhere in Chicago, Illinois, and a child in Stockholm, Sweden, approached REGNERY concerning his book. The book actually will contain very little text and consists principally of a series of excellent photographs taken by ANDERSON, a top flight photographer, of scenes in the Gaza Strip and elsewhere in Egypt. The book is entitled "They Are Human Too" and is described as a photographic essay on the Palestinian refugees.

~~SECRET~~

~~SECRET~~

NK 105-6847

REGNERY added that ANDERSON felt very strongly about the plight of these refugees. The book was accepted by REGNERY for publishing and is presently in the hands of the printers, Photopress, Incorporated, Gardner and Congress Streets, Chicago, and should be in retailers' hands in July, 1957. As this type of book is expensive to publish, REGNERY secured from ANDERSON a personal check in the amount of approximately \$5,700.00 as a guarantee to purchase a quantity of the books when published. REGNERY cannot recall bank which check was drawn on, nor the city.

ANDERSON further indicated to REGNERY at time of contract negotiations that government of Saudi Arabia had an interest in the book and accordingly REGNERY subsequently directed a letter to the Saudi Arabian Ambassador, Washington, D. C., who replied in effect that the Saudi Arabian Government would purchase a quantity of the books.

REGNERY stated that ANDERSON never gave any indication he was officially connected with any government regarding the publication of this book, but is of opinion that sum of approximately \$5,700.00 was probably made available to ANDERSON by interested Arabian Government as ANDERSON is known to REGNERY to be in need of funds. (S)(u)

On May 15, 1957, PERLOW ANDERSON appeared at the Washington, D. C. headquarters of the Federal Bureau of Investigation and was interviewed by SA B. M. SUTTLER at which time ANDERSON stated that he had come to the United States with his wife during 1956 and was then residing at 1739 North Street, North West Washington, D. C. He commented that he might remain in the United States permanently as many of his friends had urged him to do so.

ANDERSON further advised that a book of photographs on the Egyptian situation which he had taken was in the process of being published by the Henry Regnery Company, 64 East Jackson Street, Chicago, Illinois. The title of this book will be "They Are Human Too".

ANDERSON explained that he had taken a series of photographs in Egypt which accurately portrayed the extent of what he called British "atrocities". He commented that he had personally counted 800 bodies of victims of the bombing while the British claimed that only 100 persons had been killed. According to ANDERSON, the International News Service (INS) had prevented his pictures from being published in the United States because of pressure from Zionist groups as well as French and English groups. According to ANDERSON, INS had paid him \$75.00 a day to make the pictures for a period of 12 days immediately following the bombing and had further agreed to pay him 20 per cent on the sale of pictures but there had been no sales because of the pressure exerted on INS by the Zionist, French and English groups referred to above.

ANDERSON stated that he had been able to have his photographs published in Europe and this infuriated the British. He furnished one copy each of the November, 1956, and the January, 1957, issue of a magazine entitled "The Scribe" which contained pictures of the damage allegedly done by British bombing at Port Said, Egypt. According to ANDERSON, as a result of the publication of his photographs in the November, 1956 issue of "The Scribe" a scurrilous article about him was published in the London "Daily Mail" on December 11, 1956. ANDERSON furnished a copy of this article which had been written by WALTER TERRY. ANDERSON commented that he was in the process of suing WALTER TERRY and the London "Daily Mail" for libel and slander as this article erroneously accused him of being an ex-Nazi propaganda agent.

NK T-4 was interviewed on June 10, 1957, at Washington, D. C., by SA HOWARD FLETCHER, JR., at which time he advised that ANDERSON and his wife came to the United States in approximately February, 1957, and had a Swiss Passport. ANDERSON called himself a Swiss Photographer-Journalist. NK T-4 stated that International News photographers handled the pictures ANDERSON took. NK T-4 stated that ANDERSON had some contact with the Egyptian Embassy and visited the chancery on several occasions. NK T-4 said the Press ~~(S)~~ (U)

Office at the Egyptian Embassy had received money from Cairo, Egypt, and had paid ANDERSON approximately \$8,000. NK T-4 stated this money was given to ANDERSON by two checks, but NK T-4 could not recall the amounts of these checks. NK T-4 said the latter check was for a lesser sum and that ANDERSON upon receiving the first check signed a receipt in which he acknowledged receipt of the money from the Information Department, Ministry of National Guidance, Cairo, Egypt, to assist in arrangements for publication and advance sale of six thousand copies of a book of photographs on Arab Refugees in the Gaza Strip of Egypt. NK T-4 stated that ANDERSON signed the second receipt in which he acknowledged that it was for expenses in arranging for the publication of a book of photographs and publicity concerning the publication of ANDERSON's book. (S) (U)

NK T-4 said the publisher of this book was the Henry Regnery Company, Chicago, Illinois. NK T-4 indicated he could not understand why the Regnery Company, which is such a large concern would publish this book for ANDERSON when it was apparent that a considerable amount of money for the publication was coming from the Egyptian Government. (S) (U)

On May 28, 1957, Mr. RAY THORP, Sales Supervisor, Eastern Territory, Scandanavian Airlines System (SAS) 138-02 Queens Boulevard, New York, advised SA EDWARD H. MADDEN that PERCLOW ANDERSON departed from Idlewild Airport on SAS Flight #912 at 4:00 p.m., on Sunday, May 26, 1957.

NK T-3 advised on October 16, 1957, that he believes MC GINLEY does not act for or represent in any way a foreign government.

A series of five articles appeared in the "New York Daily News", a daily newspaper published in New York City, dated January 20 through 24, 1959, written by DAVID BURK, and entitled "Peddling Hate in America: Egypt's Nasser".

In these articles BURK accuses the Arabs for fomenting much of the anti-Jewish acts perpetrated by hate groups in the United States by alleging anti-Jewish literature prepared

by the Arabs has been given to the Americans active in racist and hate campaigns for distribution.

The articles further point out that some of these racists have been in contact with Arab officials and establishments in this country, and some of their publications have contained pro-Nasser propaganda, the implication being that such propaganda was furnished by the Arabs.

Excerpts regarding CONDE MC GINLEY and "Common Sense", taken from the above articles are as follows:

The second article of the series dated January 21, 1959 in speaking of Cairo radio broadcasts shortly after the Atlanta, Georgia temple bombing on October 12, 1958, said:

"Cairo radio added: 'It is reported from the United States that unknown persons have destroyed a synagogue in the city of Atlanta. It is further reported that publications throughout the Southern states are carrying hostile articles against the Jewish community'. The radio did not explain where that second statement originated. The publications, however, could only have been those put out by America's neo-fascist group whose activities identify them daily more closely as a NASSER 5th column in the United States. Such hate sheets as "Common Sense", published by CONDE MC GINLEY in Union City, New Jersey, and "The Cross and the Flag", put out in Los Angeles by GERALD L. K. SMITH, print a routine combination of pro-Nasser and anti-Jewish propaganda. These and other similar periodicals, most of which have been listed as subversive by the Attorney General, always flood into areas afflicted by racial incidents and violence."

Also, in the article in speaking of statements made by an official of the Egyptian Embassy, Washington, D. C., the article said:

"He could not explain, however, how articles published in American racist magazines and leaflets come

"to be reprinted in Nasser-controlled newspapers or quoted on Nasser's radio stations. In their anxiety to be all-embracing, to reach the hearthstones of American families of different tastes and viewpoints, the raciest periodicals adopted a variety of fronts.

"From California, Gerald L. K. Smith offers the Christian approach. From New Jersey, Conde Mc Ginley tackles the Catholics."

The third article in the series dated January 22, 1959 mentioned "Jewish renegade Benjamin H. Freedman, who backs Conde Mc Ginley's subversive "Common Sense"..."

The fourth article of the series dated January 23, 1959 contained the excerpt:

" 'The Zionists! Freedman assured me "drove me into the arms of men like Mc Ginley and Gerald L. K. Smith. I'd neither met nor heard of them before the Zionists started to smear me' ".

The last of the series of articles, dated January 24, 1959, contained this information:

"Conde Mc Ginley of Union, New Jersey, said by the Committee (House Committee on Un-American Activities) to be making at least \$30,000 a year out of "Common Sense" and his book lists, recently put out a bill-board size sheet giving a run-down of a Goebbels' fabrication of three decades ago - the so-called 'Protocols of the Meetings of the Learned Elders of Zion'.

The Protocols were exploded as a fiction in the 30s, but Mc Ginley evidently felt the time was ripe to produce them again. And if he succeeded in selling no (one) else on them, he certainly triumphed with Gamal Abdel Nasser in Cairo.

NK 105-6847
BW:jpm

"Toward the end of October, in a remarkable interview with an Indian magazine writer, Nasser declared that he had just read 'The Protocols' for the first time and thought them 'important'. They demonstrated to him, he said, that Europe is 'in the hands of 300 Zionists' and that there is an international plot in which Zionism and imperialism (i.e., the U. S., Britain, and France) 'are marching hand in hand with Israel'".

"Mc Ginley handed down the Protocols to his followers with an appeal to "read and study this document carefully". It speaks, he wrote, "in behalf of the American people... is prepared without anger... (because) many Gentile Americans have been drawn into this plot by ignorance, through blackmail, through clever persuasion. A great deal of the juggled history which propagandists like Mc Ginley use as the basis for their outpourings is dredged up by pudgy bachelor Harold N. Arrowsmith, who admits having financed Arlington, Va. fuehrer George Lincoln Rockwell and the Yorkville thugs Rockwell sent to Washington and Atlanta to sing his hymn of hate."

Also, in the last article, the following information appeared:

"As I climbed back into my taxi outside Rockwell's neat suburban home, I felt I had come full cycle. The jigsaw pieces had clicked into place. Rockwell was tied in with Arrowsmith, and thus with Madole (James Madole) and with Mc Ginley and Smith and Freedman and with Cairo, in a network of subversive hate. Each group feeding on the others like jungle animals, on a diet of shady finance, propaganda gimmicks, and methods and ideas that reek of Red Moscow and Nazi Berlin".

On February 26, 1959 Mr. MARVIN H. CLAUSSEN, 12614-6th Avenue N. W., Seattle, Washington, was interviewed by Special Agents JOHN L. KETCHAM and JAMES H. SANDUSKY. CLAUSSEN advised that although he is acquainted with the periodical "Common Sense", having read several copies, he has never to his knowledge heard of the Christian Educational Association of Union, New Jersey within Seattle, Washington or elsewhere. CLAUSSEN advised that the few copies of "Common Sense", which he has read, were loaned to him by CHARLES M. BAXTER of Seattle and that he has never subscribed to the paper or otherwise contributed to its publication.

CLAUSSEN said that before coming to Seattle several years ago he had resided in Little Rock, Arkansas where he was a member of the Arkansas Free Enterprise Association which according to CLAUSSEN, is an organization which concerns itself in movements of current interest such as right-to-work legislation.

CLAUSSEN recalled that he had first read "Common Sense" in connection with his activities in the Arkansas Free Enterprise Association.

FEDERAL BUREAU OF INVESTIGATION
INTERVIEW REPORT

Date: March 10, 1959

Mr. CHARLES M. BAXTER was interviewed on March 2, 1959 at his request and advised that he had known and corresponded frequently with Editor CONDE MCGINLEY of "Common Sense" for many years. He stated that he had never personally met MCGINLEY but characterized him as "100% American" based on his ideas. BAXTER said he receives copies of "Common Sense" regularly from the Christian Educational Association and also other literature published by that organization, but BAXTER stated he did not subscribe to "Common Sense" and he did not contribute money to the Christian Educational Association because he was not financially able to do so. BAXTER said that MCGINLEY was aware of his financial status but continued to send him material as he knew that BAXTER worked at writing letters and spending time to further the ideas of the organization.

BAXTER stated that the Christian Educational Association was not a membership organization to his knowledge and that the organization solicited funds in order to publish the "Common Sense". BAXTER stated he believed that publishing the "Common Sense" was the main activity of the organization although they also publish other literature.

BAXTER stated that to his knowledge there was no organized group or club of the Christian Educational Association in the State of Washington and that he did not know of any organized group or club of the organization anywhere in the country. BAXTER said he did not know of any other individuals in the State of Washington who were associated with the Christian Educational Association, however, he said there may be others in Washington who receive the "Common Sense".

BAXTER stated that his activity consisted of writing letters to individuals and organizations and to passing on literature received by him to persons who

RACIAL MATTERS

On March 2, 1959 Mr. KENNETH MAC GREGOR, Blaine, Maine and employed as a school teacher in the Mars Hill, Maine School District advised that for the past two or three months he has received, through the mails, a publication called "Common Sense" published in Union, New Jersey. These publications have come to him in an envelope from the Christian Educational Association of Union, New Jersey. MAC GREGOR said that he considers this publication a typical "hate" publication which is very anti-semitic and anti-negro.

Mr. MAC GREGOR made available the January 15, 1959 issue of "Common Sense" as well as its mailing envelope. He said he was at a loss to understand how the Christian Educational Association had obtained his address, and as he felt the publication "Common Sense" was "un-American" in its text, he was contacting the FBI.

publication "The Cross and the Flag," Source was given two issues of this magazine as well as copies of "The American Nationalist" and "Common Sense." Source promised to advise the FBI of any additional information received from further stays at this motel.

Official reports of income of the Christian Nationalist Crusade, filed with Clerk of the U. S. House of Representatives, Washington, D.C., as required under the Federal Corrupt Practices Act reflect that the CNC reported at various times under the caption "Contributions of over \$100". The following under these indicated headings:

Contributions - 1952

W. G. KERCHNER, Lenhartsville, Pa. \$200.

Contributions - 1953

W. G. KERCHNER, Lenhartsville, Pa. \$228.

Contributions - 1956

W. G. KERCHNER, Lenhartsville, Pa. \$151.

On 1/7/57, Dr. ROBERT DAVIES, 324 Main Street, Topton, Pa., advised that WILLIAM KERCHNER of RD, Lenhartsville, Pa., who DAVIES described as white, male, age 55, 5'11", 160 pounds, medium build and complexion, hair greying and balding, brings his wife to Dr. DAVIES for treatment for cancer.

DAVIES related that he has from time to time found periodicals in his waiting room which were left there by someone without his knowledge and which because of their nature were highly embarrassing to him as a professional man. Because

PH 157-12

of the subject's "talkative nature" and concern about such events as the Hungarian Revolt, Hungarians coming to this country and the Suez Crises DAVIES suspected subject.

On 1/4/57, DAVIES checked his waiting room just before subject and his wife arrived, and again after they left and found a brochure entitled "Anglo-French-Israeli Aggression Against Egypt " which had not been there before. This brochure purports to be a publication of the Egyptian Embassy and is concerned with the invasion of Egypt. Other items found by Dr. DAVIES and which he believed to have been left in his waiting room by subject were:

Pamphlet	"The Plot to Undermine the Republic" by GERALD L. K. SMITH
Leaflet	"Economic Council Letter, December 1, 1956" put out by the National Economic Council, Inc., New York City, and containing an article critical of Zionism and alleged US support of Israel and Zionism

Miss JOSEPHINE FERRO, Reading-Berks County Credit Bureau, Reading, Pa., advised 3/9/59 that her records reflect WILLIAM G. KERCHNER, Lenhartsville, Pa., was last reported on in 1948. At that time his wife's name was ANNA, and they were both lifelong residents of the Lenhartsville, Pa., area. KERCHNER was then 62 years of age and owned and operated KERCHNER's Flour and Feed Mill as well as Tourist Cabins.

Trooper J. B. OBERHOLTZER, Pennsylvania State Police, Harburg, Pa., sub-station (which covers Lenhartsville, Pa.) advised 3/9/59 that subject is an elderly man and regarded as "odd but harmless." He has no arrest record and in spite of his age, now about 70, appears in good physical condition. His wife, ANNIE, died of cancer about six months ago, and he has visibly become more senile since then.

PH 157-12

OBERHOLTZER related that subject's wife years ago used to both the State Police with numerous non-specific complaints about her neighbors which warranted no action. KERCHNER now has his son-in-law, ROY HAMSHER, and daughter MABEL, living with him. He has sold the Feed Mill and his son-in-law operates the gas station, restaurant, and motel, but subject himself still helps.

Mr. and Mrs. MILDRED KERCHNER, Lenhartsville, Pa., (no relation to subject) advised 3/9/59 that WILLIAM G. KERCHNER is an elderly man, cranky and argumentative, and very outspoken in all matters. He is regarded locally as a "nut", and currently receives a great deal of literature on reincarnation, which he professes to believe in. He openly states that soon his wife will return from the "beyond" and rejoin him. KERCHNER, because of his age and failing eyesight, does not drive a car, but is still active physically. He was once a devotee of BERNARD MC FADDEN the Physical Culture exponent. and still claims to exercise regularly. Last summer when a large old oak tree on the premises needed removal, subject himself climbed and cut it down. KERCHNER is well off financially and is rumored to contribute sizeable sums to whatever cause takes his fancy at the time. He used to "rave" about GERALD L. K. SMITH and "The Cross and the Flag" and used to receive that publication.

Mr. ROY A. HAIN, Lenhartsville, Pa., proprietor of the Lenhartsville Garage near subject's motel advised 3/9/59 that KERCHNER is "a nut, but harmless." HEIN related that he is very outspoken in all matters and is violently against many of the actions and programs of the Federal Government, such as Foreign Aid and the Price Support program for farmers. However, there has never been any question of his loyalty to the United States, and on any occasion when he has mentioned Russia or Communism it has been to bitterly denounce them. Mr. HEIN cannot recall subject ever discussing racial matters, but pointed out that the small community they reside in has

PH 157-12

no residents of other colors or creeds.

Subject, HAIN related, used to have his son-in-law drive him to Washington, D.C. about twice a year when Congress was in session, where he reportedly visited whatever Congressman would see him.

Mr. IRA DIETRICH, Lenhartsville, Pa., Justice of the Peace, related 3/9/59, that "WILLIAM KERCHNER would be regarded as a nut, were he not so wealthy, now he is just odd." DIETRICH related that subject, and if permitted, will talk for hours on any subject, and considers himself an authority on most. He has always been an outspoken antagonist of Communism and Russia, but also speaks against Great Britain and France, and at time, against certain U. S. Policies, especially aid to other countries.

DIETRICH stated that since the death of his wife, a few months ago, subject has noticeably become more quiet and moody. He now believes in reincarnation and has stated that he is giving "large sums" to persons and organizations studying this. He professes to believe that he and his wife will be reunited when the experiments of some of these groups bear fruit.

An obituary which appeared in the Reading Eagle newspaper, Reading, Pa., on 10/13/58 reported the death of subject's wife, ANNIE KERCHNER, nee GRIM, age 63, at Lenhartsville, Pa., on that date. It reported that she was survived by her husband, a daughter MABEL, wife of ROY HAMSHER, two grand children, one half-brother, and several step-brothers.

A check of the records of the Marriage License Bureau, Berks County Court House, reflected that when subject married ANNA LOUISA GRIM, 2/13/56 he listed his age as 30.

Voters Registration Records for Berks County reflect that subject registered as a Republican in 1937, when he first

Subject told FBI that he had been expecting FBI to return to Lomhartsville for several months. He stated that he had packed a suitcase full of material for FBI and that he had this suitcase packed with the material for at least 10 months.

Subject stated that there were two local women, names not mentioned, who were interested in the literature that subject had in his possession. Subject asked FBI at some future time to go with him to distribute some of this literature in and around Lomhartsville. Subject stated that he would introduce FBI to one of the local women who was likewise interested in the literature, but could not introduce him to the other, inasmuch as she was in Washington, D. C. Subject indicated that the woman living in the vicinity of Lomhartsville would probably assist them in distributing the literature.

RE: WILLIAM GEORGE RECHNER

Subject stated that he had recently mailed out several hundred copies of a pamphlet entitled, "USA Already a 'Communist' Nation," a reprint from the Aryan Sun Workshop and The Green, San Diego, California.

FBI stated that he talked to subject for about two hours, but that most of subject's comments concerned the content of the literature which he had in his possession. During the conversation subject did state that there had to be a revolution in the United States "to straighten this thing out," referring to the fact that he felt that the Government of the United States was under the control of the Jews. From subject's remarks, FBI felt that subject was referring to the situation in Germany before World War II, when ADOLF HITLER had killed many of the Jewish people.

Subject furnished to FBI the following literature which he asked that FBI distribute on his travels throughout the country as

Re Dallas letter to Director, 2/17/59.

Reference is specifically made to page 6 of referenced communication whereby it is revealed that subject organization has made a check payable to M. G. LOWMAN, Executive Secretary, Circuit Riders, Inc., Cincinnati, Ohio.

The following information regarding the identity of LOWMAN and the Circuit Riders is furnished for your information:

A news release issued by Circuit Riders, Inc., 18 East Fourth Street, Cincinnati 2, Ohio, dated August, 1956, contained the following comment: "Circuit Riders, Inc. --- is a national independent group of Methodists who expose and oppose the use of church facilities, programs and personnel for the propagandizing of socialistic activities."

A booklet published by Circuit Riders, Inc., 18 East Fourth Street, Cincinnati 2, Ohio, entitled "Recognize Red China" and described as "an expose of the National Council of Churches, World Order Study Conference; Cleveland, Ohio, Nov. 18-21, 1958" was furnished this office by Mr. M. G. LOWMAN on 3/10/59. The inside cover page of this booklet describes Circuit Riders in the following manner: "Circuit Riders, Inc. opposes efforts to propagate Socialism and Communism and all other anti-American teachings through church facilities."

Another booklet in the possession of this office which was provided by Mr. LOWMAN entitled "50 Years of Un-Methodist Propaganda", on the inside back cover describes the principles and purposes of Circuit Riders, Inc. in the following manner:

- (4) To assist in obtaining any action which may be necessary to require the Methodist Federation for Social Action to drop the word 'Methodist' from its name and remove its influence from our church."

Regarding Mr. M. G. LOWMAN, Executive Secretary, Circuit Riders, Inc., the following excerpts have been taken from Bureau letter to Miami, 12/18/57, shortly prior to a contemplated visit by Mr. LOWMAN to the Miami Field Division.

"For information purposes, M. G. LOWMAN formerly had a prominent and lucrative advertising agency in Cincinnati, Ohio. Some years ago, he closed his business in order to devote full time to the Circuit Riders, Inc., an organization made up of laymen of the Methodist Church whose objective is to combat Communist infiltration among members of the clergy.

"In 1953, LOWMAN contacted former Assistant to the Director L. B. NICHOLS and from then on was in frequent contact with Mr. NICHOLS and other FBI representatives. He has furnished voluminous material which he believed to be of interest to the Bureau concerning Communism and there has been considerable cordial correspondence with LOWMAN.

"In July, 1953, it was learned that LOWMAN's organization had been primarily responsible for developing the witnesses in the presentation of information before the House Committee on Un-American activities in executive session in New York on the subject of Communist infiltration into religion.-----

CI. 157-3

"Over the past years, LOWMAN has called at the Cincinnati Office on numerous occasions. The records and reports maintained by LOWMAN have not been utilized in the absence of special cases in order to preclude the possibility of LOWMAN using such contacts to raise money for his organization.

"LOWMAN has been furnished several thousand copies of my article on Communism, and in January, 1957, I autographed a copy of "The FBI Story" to him. ---

"LOWMAN is definitely anti-Communist and is a great supporter of the FBI. ----

"While the Bureau has enjoyed cordial relations with LOWMAN, it should be realized that he is quite a controversial figure and is extremely active in his efforts to expose subversive activity among the clergy.

"Since the Circuit Riders, Inc. is a private organization, the FBI cannot disseminate other than public source information to it and you should be guided accordingly in any contacts with LOWMAN."

As mentioned above, the Cincinnati Division has previously and presently maintains a very cordial relationship with Mr. LOWMAN. He has furnished to this office considerable source material in the subversive field. For reasons indicated above, however, we do not disseminate material furnished by him but rather go to the original source for dissemination purposes.

Mr. LOWMAN presently is in frequent contact with this office and also corresponds on occasions and occasionally visits Mr. G. A. NEASE at the Bureau. In the event it is desired that Mr. LOWMAN be contacted for additional information regarding the \$10.00 received by him from subject organization, same can be discreetly handled and will be done if requested to do so.

in 1946, and an article appearing in the Arkansas Gazette, a Little Rock daily newspaper for June 20, 1946, referred to a meeting at the Albert Pike Hotel, Little Rock, of board members of the Arkansas Free Enterprise Association, which is stated to consist of owners of large plantations and other businessmen. The objectives of this organization were stated as follows:

1. Demand passage of a law by the 1947 legislature to provide criminal penalties for violation of the 1944 "Freedom to Work" amendment.
2. Protect the 1943 "anti-violence" act, which restricts picketing and prohibits violence during strikes, from any movement by labor to repeal or weaken it.
3. Foster election of "reputable, capable men to the legislature". This means that the association will inform the voters about lawmakers who were "favorable or unfavorable toward the CIO in 1945".
4. Promote harmony among employers and employees and strive to convince Arkansas labor that its welfare is bound to the welfare of Arkansas employers.
5. Offset "to the greatest degree possible the organizational efforts of the two major labor organizations of the nation in Arkansas". The board said this objective would "avoid the internecine strife that will inevitably plague the industry of Arkansas as these two organizations wage war against each other for the privilege of collecting initiation fees and dues from Arkansas labor".

By letter dated 1-28-38 ELIZABETH DILLING advised FRED S. BROWN, Secretary of the American Rangers, 82 W. Washington Street that she could not attend a meeting on 1-18-38. She further stated that she was keeping four women busy indexing data, and within the next month, expected to open a small room in the Monadnock Building as a patriotic reading room and center for Anti-Communists anxious to get information and co-ordinate their activities with others.

ELIZABETH DILLING sent a letter to MR. EDWARD J. SPARLING, President Central YMCA College, 19 S. La Salle Street on 3-2-38. This letter made the complaint to MR. SPARLING that his college newspaper and college bulletin board reflected advertisements of Communist activity. MRS. DILLING stated that there is no compromise between atheistic Communism and Christianity and that any institution which is supported by funds donated by Christians is playing the role of a Judas to further the cause of Communism, which is pledged absolutely to the destruction of Christianity.

At the time of this visit, MRS. 105-9-604 (cont'd)

This conversation occurred at the home of MRS. BLANCHE WINTERS in Detroit, at the time of the First National Convention of the America First Party. Participants in the conversation were MRS. WINTERS, MRS. VAN HYNING, MRS. HELEN MC ALLISTER of Kansas City and an unknown person. The conversation had been about MRS. ELIZABETH DILLING and had been quite unfavorable. Then MRS. WINTERS said that "after all, we must give MRS. DILLING credit for what she has done; she had obtained a great deal of publicity for the nationalist cause, she had been active and working when many others were asleep or had lost heart, she had certainly brought out a lot of truths that needed to be known." MRS. VAN HYNING, who had listened to this rather impatiently, and who was at the time quite angry with MRS. DILLING, interjected: "But after all, where did she get all her facts? from HARRY JUNG? She got everything she wrote or told from HARRY JUNG!"

"The Sentinel"

100-17590-1B

The following information is taken from an article appearing in the "Sentinel" dated 3-1-45, p. 32 entitled "Fuehrer Smith Launches New Hate Organization". The article reflected that GERALD L. K. SMITH, head of the Nationalist Party, formerly known as the America First Party, has organized the National Emergency Committee, of former American Firsters, anti-Semites and Coughlinites. The immediate object of this organization is fighting United States participation in a world peace organization. The National Emergency Committee includes among its charter members, ELIZABETH DILLING, sedition trial defendant.

100-17590-1B

The following information is taken from an article appearing in the "Sentinel" dated 6-21-45, p.6, col. 3 entitled "The Organizations that Seek to Divide".

100-17590-1B (cont'd)

The information was taken from a speech delivered by DR. HAROLD W. RUOPP, President of the Church Federation of Greater Chicago at the Chicago Conference on Home Front Unity.

He stated that the Patriotic Research Bureau was headed by ELIZABETH DILLING. MRS. DILLING has been extreme in her anti-Semitic statements and is the author of many anti-Semitic booklets. She has been connected with various "Mothers" groups in this part of the country. She has frequently addressed meetings of the Citizens' USA Committee and the Constitutional Americans, isolationist anti-Semitic groups. Her organization is one that is actively engaged in Chicago to divide and conquer; to disrupt and destroy; to see to it that the various segments of democratic peoples be prevented from joining in a united front.

100-17590-1B

The following information is taken from an article appearing in the "Sentinel" dated 2-14-46 entitled "They'll Hear From Judge Heller". The article reflected that at a meeting sponsored by the Christian Veterans of America ELIZABETH DILLING was among those active in sponsoring and providing police protection for the meeting. The main speakers at this meeting were GERALD L. K. SMITH and FATHER ARTHUR W. TERMINIELLO. This group is very anti-Semitic. JUDGE HELLER attended the meeting in order to hear the speakers spread race hatred which he was very much against. He wanted to find out what propaganda they were spreading to the people of Chicago.

"Chicago Star"

100-16070-1B

The following information is taken from an article appearing in the "Chicago Star" dated 9-27-47, p.2, col. 1-5 entitled "ELIZABETH DILLING Sues The Star for Half Million". 100-18070-1B (cont'd)

author of the "Red Network" was indicted on a sedition charge during the war. She objected to articles written by the "Star". The suit maintained that MRS. DILLING'S activities "covered a period of some fifteen years", having been "purely patriotic". MRS. DILLING did not like the photograph of her which appeared in the "Star" either.

The suit was based primarily on her argument that there is no such thing as fascism in the United States, that fascism and pro-fascists existed only in the Axis nations, and that she could not therefore be a fascist.

ADMINISTRATIVE

Under date of February 6, 1959, the FBI Laboratory advised that significant differences were noted in the purported handwriting of MANGER and the handwriting contained in anonymous letters received by [redacted] which matter had previously been submitted to the Laboratory for examination.

b6
b7C
b7D

Under date of April 13, 1959, the FBI Laboratory advised that photographs of MANGER's known handwriting, previously submitted by the Newark Office, are being retained for any possible future examination.

In a previous report it was noted that EUGENE J. CULKIN, manager of the subject's Irvington, New Jersey funeral home, stated he would be in a position to know if the subject took any extended trips and volunteered to furnish this information to the Newark Office.

CULKIN subsequently advised that the subject drives a 1952 black Cadillac sedan bearing New Jersey license OE325, which automobile is registered to the Manger Funeral Home, 1200 Clinton Avenue, Irvington, New Jersey.

A review of the Baltimore indices failed to reflect any identifiable references on William Cook Funeral Directors, Inc. or any of the above named individuals.

In view of the fact that the telephone contact appears to be of a legitimate business nature, and there is no indication as to the identity of the officer or employee of the William Cook Funeral Home who received the instant telephone call, Baltimore is making no further inquiry in this matter.

In view of the fact this investigation has failed to reflect any pertinent information connecting the subject with any type of bombing activity, this case is being placed in a pending inactive status for a period of six months.

[redacted] and requests she not be contacted at work. "

She stated she first met MANGER in 1954 at which time he contacted her and requested her to work for him at his undertaker's establishment in Irvington, New Jersey. She said she was employed in the capacity of a nurse.

[redacted] said she subsequently discovered that MANGER offered her a job so that he could formally meet and date her.

She said she and MANGER dated until about Christmas of 1956, when she discontinued dating him as a result of his jealousy. She said he was extremely jealous of her and shortly before Christmas 1956, came to her apartment and after an argument with her, proceeded to slash several wall paintings with a knife. [redacted] said she hesitated notifying the police as she was concerned about the publicity.

[redacted] stated that MANGER was the first "wicked" person she had ever met. She said he hates all religious groups as well as Negroes. She stated he has such an intense feeling of hatred towards people, she feels he belongs in an insane asylum. She revealed she is not aware of his membership in or association with any "hate group."

[redacted] further described the subject as a Jekyll-Hyde personality. She described him as being a perfect gentleman, completely rational, for a period of time and then for some insignificant reason, would become irrational to the point of violence.

In regards to background information, [redacted] [redacted] said the subject was adopted by JOSEPH MANGER, a New Jersey undertaker, sometime after his father, HENRY KINAST, committed suicide by hanging.

[redacted] said MANGER always wanted to be an artist and bemoans the fact he was forced to become a mortician.

NK 62-2569

She said the subject is an excellent artist and that is one of his hobbies along with stamp collecting. In this regard, she said that in April or May, 1956, MANGER sold part of his stamp collection to the Harmer and Roak Agency, New York City, for the sum of \$110,000.

Further, she said the subject is a world traveller having visited Europe, Africa, South America on several occasions.

[redacted] said in 1955, MANGER and one GENE ORTH purchased a 4 mast, Marconi rig schooner, named "The Troubador." She said the boat was purchased in Boston and docked at Atlantic Highlands, New Jersey.

b6
b7c

According to [redacted] the subject told her he was involved in the Nazi movement during World War II and was also engaged in selling black market sugar during this same period.

According to [redacted] the subject claimed to use two brothers from Irvington as his "strong-arm men." She said they are two brothers who in 1955 owned a used car business, Carroll Motors, at the corner of Springfield and Grove Street, Irvington. [redacted] could not recall the brothers' name but believed it to be MARCELLA (PH).

[redacted] stated she would cooperate and furnish the Federal Bureau of Investigation with information regarding this matter.

On February 18, 1959, MRS. MARIE MANGER, 85 Halstead Street, East Orange, New Jersey, was interviewed at her residence.

MRS. MANGER advised that she and the subject were married August 27, 1927, at Newark and were divorced in the latter part of 1956. She advised that the marriage produced two children, HENRY, JR., age 26, and LOIS, age 20. MRS. MANGER described the subject as a good provider for his family but is a very heavy drinker who during the period of the past ten years almost entirely withdrew himself from family activity. She stated that over this latter ten year period, the subject very seldom brought friends to their home

NK 62-2569

and did not discuss either his business or outside activities with her. She advised that over extended periods of time, the subject did not come home or bother to inform her of his whereabouts.

MRS. MANGER stated that she and the subject have both Jewish and Catholic friends and she was never aware of any bias on the subject's part against minority groups. She stated that prior to World War II, the subject was active in several local German clubs; that to the best of her knowledge, he was never a member of the German Bund. She stated that the name CONDE MC GINLEY was unfamiliar to her.

MRS. MANGER stated that prior to the divorce, she resided with the subject in a residence immediately adjacent to the South Orange Reservation but this home was sold in the first part of 1957. She stated that to the best of her knowledge, the subject had never purchased or been interested in explosives of any type and she had no knowledge concerning explosives buried in the South Orange Reservation.

On February 4, 1959, Chief of Police JOHN E. EVANS, Irvington, New Jersey Police Department, advised that he has known the subject on a personal basis for the past twenty-five years. He described the subject as a "big, overgrown kid" who when drinking had a vicious and vulgar tongue and would make threats of either beating or having various persons beaten up, but to EVANS' knowledge, no such threat was ever carried out. EVANS recalled that some years ago, the subject became angry at the police department when parking meters were installed in front of his funeral home. On several following evenings, some of these parking meters were knocked down by unknown persons and the chief later heard that the subject had bragged about knocking down these meters himself.

EVANS advised that he was not aware of any particular bias on the subject's part regarding minority groups and stated that subject employed a Jewish lawyer and appeared friendly with other Jewish residents of the community.

It is noted that Lieutenant [redacted] Confidential Squad, Newark Police Department, had previously been advised of this matter inasmuch as the original letter contained information concerning the possible future bombing of a Newark synagogue.

NK 62-2569

On February 13, 1959, Lieutenant [] was recontacted at which time he advised that investigation conducted by his squad concerning the subject failed to establish any tangible results which could link the subject with a bomb plot of any type.

On February 6, 1959, ELMER HAUSMAN, an Irvington attorney and presently serving as Commissioner of the Irvington, New Jersey, Police Department, was interviewed at his office, 1200 Springfield Avenue.

MR. HAUSMAN advised that he has known the subject on a close personal basis for the past 40 years and described him as a good businessman who, when drinking could act in a very irresponsible manner. He stated that the subject had been very cruel to his former wife and on one recent occasion, the subject physically beat his son. He stated that the subject has been very promiscuous in his relations with other women and from time to time he left his wife to live with various women. He stated that the subject was presently residing with [] who in the past was alleged to have close relationships with Newark hoodlums.

HAUSMAN further described the subject as a vindictive type of individual who would leave no stone unturned to "get even" with a person whom the subject had believed wronged him. When drinking, the subject has been a loud, boastful type of person who would brag about his business and love conquests.

HAUSMAN advised that he had no reason to believe that subject was biased against any particular minority group and felt that the subject was the type of person who would not enter any type of activity which would not be profitable to him.

In regard to [] HAUSMAN stated that he was of the opinion that the Irvington Police Department had conducted an investigation regarding her background some years ago and he would make such investigation available in the near future.

On February 18, 1959, Lieutenant [] advised that he had been contacted in confidence by ELMER HAUSMAN, Irvington Police Commissioner, and requested to

NK 62-2569

furnish the Federal Bureau of Investigation with any available information concerning [redacted] stated that the only information available to the department is that [redacted] was formerly married to [redacted] a Newark truck driver by occupation, whom she divorced, in about 1953. INTERVIEW WITH SUBJECT

On February 18, 1959, the subject telephonically contacted the Newark Office, stating that he had heard that the Federal Bureau of Investigation was conducting an investigation concerning him and requested information as to the reason for this investigation. OFFICE MEMORANDUM

UNITED STATES GOVERNMENT

TO : SAC, NEWARK (62-2569)

DATE: 2/26/59
DICTATED: 2/25/59

FROM : SA WILLIAM P. DIGGS

SUBJECT: HENRY KINAST MANGER
POTENTIAL BOMBING SUSPECT

On February 25, 1959, MANGER appeared personally at the Newark Office, it being noted that he had previously telephonically requested to be interviewed concerning the Bureau investigation in regard to himself. MANGER advised that any Federal Bureau of Investigation inquiry concerning him was unjustified and compared it to the "Persecution of American citizens of German extraction during World War II". MANGER stated he was extremely anti-Communist and prior to the entry of this country in World War II, he was out spoken in favor of Germany over Russia. As a result of this, he felt that certain people mistakenly questioned his loyalty to the United States.

MANGER stated that he had reason to believe that his residence telephone had been tapped and that he was being followed by unknown parties which he felt was in some way connected to this investigation. He was advised that the FBI had no part in or knowledge of any tapping of his telephone wires.

MANGER described himself as a "loud-mouth" type individual who expressed his feelings in no uncertain terms as the result of which he was often misunderstood by his friends and furnished ammunition for his enemies to twist his remarks to their own advantage. He advised that in his business and personal life, he had made many enemies any of whom could have furnished the FBI with false and malicious allegations concerning himself.

In regard to the specific allegations against him, MANGER stated that he has never knowingly supplied money to any type of organization which could remotely be connected with the bombing of Jewish temples. He denied having any bias against the Jewish race stating that he has many Jewish friends, a Jewish attorney, and could furnish names of Jewish Rabbis who he felt sure would refute such an allegation.

WPD:cds/rk

NK 62-2569

With regard to the Negro race, MANGER stated that in his opinion the country would be better if "all the Negroes were returned to Africa", and he further expressed sympathy for the southern people concerning racial integration.

MANGER stated that as a director and owner of a funeral establishment, he made contributions to various types of local organizations and charities and does not have the time to make personal inquiry into the background and credibility of each such organization. MANGER further pictured himself as a "rough and ready" type of individual who prided himself in personally handling his problems. He stated that he is not the type of person who would "pay other people to do his dirty work", but should he be inclined to do something unlawful, which he has not, he would do the job himself rather than entrust it to other parties.

MANGER advised he was born April 30, 1904, Newark, New Jersey, and was basically self-educated man having had only a high school education.

MANGER advised that in 1921, he spent a year in Munich, Germany where he studied drawing and since has become a fluent in German, Italian and Spanish.

He advised that he entered the funeral business in 1922 and made a success of this business through hard work and thrifty management. He stated that his present income approximates \$80,000 yearly.

MANGER advised that over the past ten years he has traveled extensively in foreign countries purely for pleasure. He stated that he has had little occasion to travel in the southern states and recalls his last trip as being a pleasure trip to New Orleans, Louisiana, approximately ten years ago. He stated that he has no friends or acquaintances in any of the "deep southern states" such as Georgia, Alabama, Mississippi and Arkansas.

MANGER advised that he and his wife, MARIE MANGER, separated approximately three years ago at which time both moved from their former home which was located adjacent to the South Orange Forest Reservation. He stated that he has never purchased dynamite or any other type of explosive and

NK 62-2569

has no knowledge concerning explosives being buried on the reservation. MANGER advised that his present residence is at 157 South Harrison Street, East Orange, N.J., where he resides with his present wife the former, [REDACTED]. He stated that he also maintains a summer residence located in East Stroudsburg, Pennsylvania.

b6
b7C

In regard to CONDE MC GINLEY, MANGER advised that he recalled meeting MC GINLEY on only one occasion at a social gathering approximately ten years ago and has had no further direct connection with MC GINLEY since that time. He recalled that several years ago he was approached by the individual known to him only as [REDACTED] who indicated to MANGER that he was connected with MC GINLEY and was collecting for a charitable organization which was sponsored by Catholic Priests. He gave this [REDACTED] \$25 but has made no further contributions. He stated that he has been receiving a publication, the name of which he cannot recall, which was reportedly published by MC GINLEY but stated that he never has the time or desire to read this publication. MANGER stated that he has never subscribed to this publication and it is apparently sent to him gratis.

MANGER advised that he is eager to get this matter resolved in order to avoid further embarrassment and stated he would be readily available for further interview should any further information be desired of him.

RESULTS OF FBI LABORATORY
EXAMINATIONS

As set forth in a previous report, NK T-1 made available certain anonymous letters which he felt had been prepared either by the subject or the writer of the anonymous letter upon which this case is predicated.

Under date of February 6, 1959, the Laboratory advised that instant anonymous letter had not been prepared on the same typewriter as materials submitted by NK T-1. The Laboratory noted further that there was insufficient available handwriting to determine if the subject has prepared anonymous letters received by NK T-1. The Laboratory further advised that the envelope and paper used in instant anonymous letter did not come from the same source as the envelopes and paper submitted by NK T-1.

Inasmuch as NK T-1, due to his past relationship with the subject, possibly prepared instant letter, typing samples were obtained from two Royal typewriters to which he had access and also specimens of onionskin paper were obtained.

Under date of February 25, 1959, Laboratory advised that the typing used in instant letter was not identical to the typewriter in NK T-1's possession. It was also noted that the submitted onionskin paper was different than that used in original letter.

MISCELLANEOUS

The subject was further described as a heavy drinker who is believed to use drugs of a barbiturate nature. He is also described as a paranoiac who had threatened to kill himself on several occasions.

On February 25, 1959, the following investigation was conducted by SA RAYMOND J. GORHAM at Trenton, New Jersey:

On February 25, 1959, MRS. MARGARET BOJARSKI, Principal Clerk in the New Jersey Department of Labor, Mine and Safety Engineering Section, Trenton, New Jersey, advised that their office contains no record concerning HENRY MANGER purchasing any amount of explosives.

A check was also made under the name of the MANGER Funeral Home and no record was found indicating that purchase of dynamite was made under the name of Manger Funeral Home.

She further advised that their section in the New Jersey Department of Labor had no information of any extensive loss or thefts of dynamite as being reported to their office during the past year. She advised, however, that MR. ALBERT J. GETZ, Chief Mining Safety Engineer, Department of Labor and Safety, 11 Washington Street, Morristown, New Jersey, telephone Jefferson 8-5105, could be contacted for further information in this matter, if it is desired.

On March 25, 1959, SA CHARLES E. KLEINKAUF contacted ALBERT J. GETZ, Supervisor and Chief Mining Safety Engineer, Department of Labor and Safety, 11 Washington Street, Morristown, New Jersey. MR. GETZ advised that the only reported thefts of explosives to his office since January 1, 1958, were several cases involving juveniles who were identified with the theft and all of the stolen explosives recovered. He stated there were no reported thefts wherein a quantity of explosives were stolen and the persons responsible were not identified.

DETAILS:

This investigation is predicated upon receipt of information from Memphis Confidential Informant T-1 to the effect that on September 13, 1957, CAROL McGINLEY, the Editor of Common Sense, a publication of the Christian Educational Association, had mailed between 1500 and 2000 copies of Common Sense to C. A. WHEELER, 4603 Gallatin Road, Nashville, Tennessee.

On February 11, 1958, Mr. C. L. MORRIS, Harrisburg, Tenn., Morris Construction Company, 839 Midway Boulevard, Nashville, was interviewed by SA FRANCIS W. MARSHALL. Mr. MORRIS had been contacted on another case, at a previous time, at which time he had remarked that he had heard that CHARLEY WHEELER, Wheeler Construction Company, was financing distribution of anti-Semitic literature. On February 11, 1958, Mr. MORRIS advised that the Charley Wheeler to whom he previously referred was CHARLES A. WHEELER, 4603 Gallatin Road, Nashville, a man about forty years of age. He stated that he is a large builder of residential developments and the past president of the Nashville Home Builders Association. He described him as follows:

Height	6'
Weight	225
Build	Heavy
Hair	Dark
Complexion	Dark
Race	White
Face	Round
Age	40

Mr. MORRIS stated that he had not WHEELER but that he had never noted any indications of anti-Semitic sympathies or racist tendencies. He advised that his brother is better acquainted with WHEELER.

Mr. C. L. MORRIS stated that the information concerning WHEELER's financing the anti-Semitic literature came through his brother.

Mr. ALBERT MORRIS, Morris Construction Company, 839 Midway Boulevard, Nashville, advised that he has known WHEELER for many years and that he has never known of him to give any indication

K09108-495

of any anti-Semitic sympathies. He stated that he and WHEELER have worked together in the Nashville Home Builders Association, and that he had always considered himself as one of WHEELER's closest associates. He pointed out that since he himself is Jewish, and in view of the regard that WHEELER has always seemed to have for him, he was surprised to hear from the American Jewish Committee that WHEELER was connected with the distribution of anti-Semitic literature. He stated that WHEELER had never shown any indication of anti-Semitic sympathies.

b6
b7C

Mr. ALBERT MORRIS stated that the only thing that he had ever heard concerning WHEELER's alleged sympathies came from representatives of the American Jewish Committee in Nashville who had approached him in Nashville at the Jewish Community Center and asked him about WHEELER. He stated that he understood from them that WHEELER was financing the distribution of anti-Semitic literature in Nashville. He stated that he understood that [redacted] of the American Jewish Committee had a file on WHEELER, and a man named ISHNER, who is a bricklaying contractor in Nashville, who works with WHEELER. He stated that another of WHEELER's associates was H. LOUISE CROWDER, 1219 Winding Way Drive, Nashville, a house builder.

Mr. ALBERT MORRIS stated that he only knew of one CHARLES A. WHEELER and that he was known as CHARLES A. WHEELER, JR. He stated that he did not know his father.

On February 12, 1953, [redacted] Funder Insurance Agency, Life and Casualty Tower, Nashville, advised that he was the local representative of the American Jewish Committee, and that he had received a letter from his organization in New York City concerning C. A. WHEELER and two others who were alleged to be involved in the dissemination of anti-Semitic literature. He stated that he did not know WHEELER or the others, and that he turned the letter over to [redacted] Jewish Community Center, Nashville. He stated that he understood that [redacted] had a file on WHEELER.

On February 11, 1953, [redacted] Jewish Community Center, Nashville, advised that he had in his possession a letter addressed to [redacted] from the American Jewish Committee in New York. This letter stated that that committee

Me#105-406

had learned from a highly confidential source, which was not further identified or evaluated, that in the middle of September, 1957, some 1500 to 2000 copies of Common Sense had been sent to C. A. WHEELER, 4003 Gallatin Road, Nashville. This letter advised that during the same period copies of this publication had been sent to JON BRUNER, 1210 Ardee Avenue, Nashville, and PAGE CHAMBERLAIN, 460 W. 6th Street, Columbia, Tennessee. He stated that there was no other information in the letter. [redacted] stated that he had asked Mr. ALBERT MORRIS, who is in the building trade, about the two men in Nashville, and that MORRIS had advised him that BRUNER was a bricklayer who works for WHEELER, and that the C. A. WHEELER was CHARLES A. WHEELER, JR., Vicepres Construction Company. He stated that there was no indication of any anti-Semitic sympathies on WHEELER's part.

Memphis Confidential Informant T-2 advised SA KORNBERG on February 13, 1960, that CHARLES ALVIN WHEELER, SR., in 1942, resided at 1027 W. Canal Avenue, Nashville. This man was born on January 31, 1897 in Davidson County, Tennessee, and in 1942 was employed by the Whitcomb Construction Company at Fort Campbell, Kentucky. His usual signature was C. A. WHEELER.

Memphis Confidential Informant T-2 advised SA KORNBERG on February 13, 1960, that CHARLES ALVIN WHEELER, JR., as of 1942, resided at 1027 W. Canal Avenue, Nashville. He was born May 12, 1923 in Nashville and was the son of Mrs. GERTRUDE WHEELER of the same address. He was employed in 1942 by HATE HIGGINS at the Vultee Aircraft Company, Couchville Pike, Nashville. He was described as white male, 6' , 195 lbs., brown eyes, brown hair, dark complexion.

On February 13, 1960, Mr. CHARLES RECTOR, real estate dealer, Gallatin Road, Nashville, advised SA KORNBERG that he knows CHARLES A. WHEELER, JR. well, and that he had handled the sale of some houses built by WHEELER. He stated that he did not know his father and did not think that he was living in Nashville. He stated that WHEELER has never taken any interest in anything political and had never shown any indications of having any anti-Semitic sympathies. He stated that WHEELER is very active in church work, and that this is practically the only thing he has an interest in other than his business. He stated that he has never known of his distributing any anti-Semitic literature and that he does not believe that he ever has.

Doc 105-496

On February 10, 1959, Mr. HUGH J. GEORGE, 4901 Gallatin Road, Nashville, advised SA KENNEDY that his business is next door to WHEELER's office, Mr. GEORGE being a service station operator. He stated that he knows WHEELER and has always found him to be a fair minded, even tempered individual. He stated that he has never known of his having any anti-Semitic sympathies, and that he has never known of his distributing any type of literature. He stated that he has noted that WHEELER is apparently an active church member, and that he has quite a bit of church literature in his possession from time to time. Mr. GEORGE stated that he has never known Mr. WHEELER's father, and that he does not believe that the father has anything to do with the business which is located at 4903 Gallatin Road.

On February 20, 1959, Mr. B. B. MARTIN, 2702 Gallatin Road, Nashville, advised that Mr. C. A. WHEELER, Sr., formerly rented a trailer from him at that address but that he and his wife left Nashville some three or four years ago to go West. He stated that the last address he had for them was Route 1, Box 332, Carlsbad, New Mexico. He stated that he knew of no anti-Semitic sympathies on the part of C. A. WHEELER, Sr. He did not know his son. He stated that the address he had was about two years old.

On February 11, 1959, Memphis Confidential Informant T-3 advised SA KENNEDY that neither C. A. WHEELER, Sr. nor CHARLES A. WHEELER, Jr. was known to the informant. The informant stated that neither of them was a member of the Tennessee Federation for Constitutional Government, to the knowledge of the informant.

By communication dated March 25, 1959, the Albuquerque Division furnished the following results of investigation conducted by SA [redacted] on March 12, 1959:

Memphis Confidential Informant T-4 advised SA [redacted] that the address of Route 1, Box 332 was formerly the address of the Jack Trailer Court, operated by C. A. WHEELER, who had left Carlsbad a couple of years ago. He now is residing at Loving, New Mexico.

Memphis Confidential Informant T-5 advised SA [redacted] that C. A. WHEELER and his wife receive mail at Box 334,

Do-7195-406

Loving, New Mexico. They are an elderly couple who operate a small trailer court, south of Loving, on the Pecos Highway. Mr. WHEELER does general carpentry work and has his own shop where he sharpens saws and other general carpentry jobs. They keep to themselves and are well regarded in the community. The informant knew of nothing to indicate that they received any anti-Semitic literature.

Mr. PETE CAVINESS, drugstore owner, Loving, New Mexico, a former Eddy County Commissioner, and life-time resident of the area, advised SA [] that he has known C. A. WHEELER for several years, the latter having come to New Mexico from Tennessee. He stated WHEELER is presently hard of hearing, and added that he knows nothing unfavorable about him; that he and his wife are a quiet couple, and are well regarded. He advised that the WHEELERS first came to Loving, then moved to Garfield to operate the Jack's Trailer Court on the El Paso Highway, but moved back to Loving, a couple of years ago.

Office Memorandum • UNITED STATES GOVERNMENT

TO : SAC, Memphis (105-406)

DATE: 4-23-59

FROM : SA FRANCIS W. KENNEDY

Dictated: 4-22-59

SUBJECT: CHARLES ALVIN WHEELER, JR., aka
RACIAL MATTERSb6
b7c

On April 22, 1959, Mr. CHARLES A. WHEELER, JR., 2093 Gallatin Road, Nashville, Tennessee, was interviewed by SA FRANCIS W. KENNEDY and SA [redacted] at his office at the above address. At this time he was advised that he did not have to make any statement; that he could consult an attorney before making a statement, and that any statement made by him could be used against him in a court of law.

Mr. WHEELER stated that he has never taken any interest in any racial matters and has for that matter given the problem of integration very little thought. He stated that although he does not relish the idea of his children attending a school with Negro pupils, since he has been reared in the South, if it comes to that he does not feel that he would interpose any objections. He stated that he has never been interested in racial matters to the extent of reading literature on the subject or taking part in any organizational activities.

Mr. WHEELER advised that a year or so ago some women gave him an application blank for membership in the Tennessee Federation for Constitutional Government, but that he did not fill it out or submit it since he was not interested in their program. He stated that he has never heard anymore from this organization. He did not recall the name of the woman who gave him the application, stating that apparently she was going from door to door with her canvass for membership.

Mr. WHEELER stated that he has in the past received a few issues of a paper which he believed is called Common Sense. He stated that he does not recall when this paper first started coming to him and does not know why it came to him. He advised that all he has ever done is to glance at these papers and throw them in the wastebasket. He stated that he was not even sure of the name of the paper since it has been sometime since he has seen one of them. He also stated that he considered it "sense

FWH:PS

Mo9163-496

sort of Communist propaganda," but had not paid enough attention to really know what it was. He stated that he had never subscribed to the paper and does not know how his name got on the mailing list.

Mr. WHEELER stated that he definitely did not receive 1000 to 1500 copies of this paper in 1957 or any other time. He stated that he would recall such a shipment, and that if it came to 4908 Callahan Road he would have seen them since he is the only G. A. WHEELER who has ever gotten mail at that address. He stated that he has had no employees who might have intercepted such a shipment, and that he has only had one clerical employee working at his office. He stated that he has not had any employees who have ever expressed themselves to him as being anti-segregationists or anti-Semites.

Mr. WHEELER stated that no one has ever said anything to him about the paper and thereby indicated that they might have submitted his name. If there is ever anything said he will advise the FBI.

Mr. WHEELER advised that JIM WHEELER does not work for him and that he is only vaguely acquainted with him.

Mem 105-490

Mrs. JOYCE PALMER, Clerk, Credit Bureau of Nashville, advised SA JOHN D. JONES on February 4, 1950, that CHARLES A. WHEELER, SR. and CHARLES A. WHEELER, JR. operate the Wheeler Construction Company at 4202 Gallatin Road. Mrs. PALMER advised that CHARLES A. WHEELER, SR. and his wife GERTHIE, 2702 Gallatin Road, have a credit record in her files dating from July, 1924. She stated her files indicate that he bankrupted in 1933 at Tuscaloosa, Alabama, and again in 1935 in Nashville. Mrs. PALMER advised that WHEELER's credit record was last checked in 1947, at which time his manner of paying was considered slow. She stated that he has had few accounts since bankruptcy, and that his credit rating is considered generally satisfactory at the present time.

Mrs. PALMER advised that CHARLES A. WHEELER, JR. and his wife ALICE, 4312 Earline Drive, Nashville, have a satisfactory credit record dating from September, 1933. She stated her files indicate that CHARLES A. JR. was born May 12, 1923, and that he has been employed by the Wheeler Construction Company for several years.

Mr. JAMES D. GOSSETT, Identification Officer, Davidson County Sheriff's Office, and Mrs. EVEL GORDON, Clerk, Central Records Division, Nashville Police Department, advised SA JOHN D. JONES on February 4, 1950, that they were unable to locate any information in their respective files concerning CHARLES A. WHEELER, SR. or CHARLES A. WHEELER, JR.

"January 29, 1959

"Dear Pete:

"This is the timely hour to rejoice with you the acquittal of George Bright from the false and dastardly jewish prosecution of an innocent nationalist and white loyalist. You deserve justifiable credit for making the financial sacrifice of \$45 to help make it possible for Branham to get down to Atlanta and lend his testimoney for the Defense. I know that Dr. Fields and Ed. Stoner appreciate fully your splendid support in this critical case. The overall result of this badly needed victory should clear the other four defendants.

"The misuse of judicial power in citing Bright's attorney for CONTEMPT for his remarks to the Rabbi's wife who offered her testimony that she was sure the voice she heard on her telephone was Griffins' and his vigorous fighting treatment of Rogers, the FBI informer is about the meanest and ruthless demonstration of vengeance I am aware of in our modern judicial system. The Judge most certainly must have hoped for a conviction and in his conditioned attitude to punish he derived satisfaction in placating his callous and hardened heart in exercising arbitrary and Cassock like powers to punish. His sentence of 40 days is a disgraceful reflection on his oath to obey the Law and to respect the verdict of the Jury fairly and justly arrived at. Grubbs should be around with you, I and Kurts to go into action as the National Citizens Law Enforcement Commission and compel this lousy traitorsous and infamouse Judge to relent his verdict and reverse himself. It tough enuf for an attorney to fight and win his case without having to be subjected to imprisonment as his reward just because a black robed criminal did not approve of his forcefulness, ability and tactics. The Judge is certainly a bad loser. I suggest that you and I combine on a joint letter of condemnation and after signing it, send him a copy and

"numerous copies to the nationalist press and our patriotic friends (open letter) Send me a copy of your letter to him and I shall sign it as is, or re-inforce it if I feel it is needed.

"I don't think a Judge (any judge) should have contempt powers. His anger, passion, and bias is always involved which negates Justice. The Judge should be limited to make his complaint of Contempt to a properly set up Commission and obliged to appear before the said Commission to prove his charges. The accused should have an equal right to defend himself before the said commission and the commission only should have CONTEMPT POWERS to impose a decision. God-dam the maternity robed black hearted s.o.b's.

"I am wondering what Mikaoyan's true, as yet unrevealed purpose, was in his 16 day visit to America. Did he install jews in secret police jobs everywhere he went? He had an all day visit with Lewis Straus the day her left America. Was he slipped atomic secrets? Macey's is owned by Straus. His father was a vice president of Kuhn Loeb and Co which financed the Russian Revolution. He fed a million jews who came to New York in 1906 and took over. Straus is now Secy of Commerce and controls all business. What secret, unwritten orders did Mokoyan issue to communist leaders in this country. It was a mistake to allow him to visit this country and travel its breath, and length.

"I sent the enclosed letter to our friend in St. Petes. 10 days ago and have not received a reply. From my point of view it was a delicate thing to make a decision on because I don't understand the full purpose of what is expected of an officer. I'm as game as they come When the chips are down but I want to know what I am doing and where my loyalties are placed. Receptivity of CUG is wide spread in the South, but the people up here are scared and uncooperative and distorted in their concept of such a movement. However, I want to be where the fighting is, if the fighting is for the things I enumerated in my letter. A quick line from you will be appreciated. How is Dan?"

"Joe"

CI. 100-9463

It is believed that the above mentioned letter is from JOSEPH BEAUHANOIS, Chicago, Illinois.

(2) Letter dated December 17, 1958, addressed to "Esteemed Friend" reads as follows:

"Received your letter of late and was Glad to here from you. Enjoyed the enclosed article.

"I do not know just what can be done to save and defend this Country. We live in the greatest Country on Earth and there is no Substitute for Americanism what so ever. Freedom and Peace under God can only be had if we stand up for what is rightly ours. If we except God as our Co-Pilot all the way down the line We can not loose. The Anti-Christ have been the down Fall of man sence christ. They have it maped out for us. I can not set by and see them destroy this wonderful Country. I have fine children which I owe the wright to live in a free God loving Country. But we must Face the fact, the Anti-Christ have stole the money & have brought the people in high places. We dont have a chance until the people wake up. They will not do that until the Reds have complet controle. Then we will have to fight to stay alive.

"The F.B.I. called me into there office the other day. They knew that I am the head of the Underground. Also they knew what my code name is. They took my picture & ask for a recording. They have been working on the mail and ask if I had people in Ia.-Ark.-Ohio S.C. - Ky- Ga.-Va. & Md. I have been trail several times and one night by 5 cars of agents ranging from 1 to 3 men per car.

"They were nice enough to me & said they hated to bother me. I told them it seemed a shame that they would wast there time on me & let the ones go free that done the Bombings. I was told they had plenty of time and money was no problem.

CI. 100-9463

"I know when the shooting starts I will be one of the first ones to hit the Mental Health Camp. All because I believe in God & Country.

"To start with a Communist rat SOB by the name of Bill Coate from ST Petersburg went to them & told them I was the head of the CUG. All at once he left the St. Pete & went to Indiana to a School to become a preacher. So I am told. I think he was sent out for his protection. They know I know who the rat is. They think I will kill him or have him killed. I doubt if he is going to any school. If he is, it is payed and sponsered for by the F.B.I. for rating. After he rated they photographed the Mail I sent out. They have names from all over. Sense the ADL & FBI work so close every thing must be coded. We must meet. Should have other's there from out of other States. I do not thing it wise to print CUG at this time. Printer sick with cold. I do not have money to fly up at this time. I would like to have a get to gether soon. This whole thing must be brought up to date.

"We can not write in advance of the meeting. We can not talk about it in a car with any one or in a Building. Best place to meet is on a lake.

"Code must be set between each 2 people then it is impossible for a rat to get out information. Between you & I no one else, you & each officer under you. Each Code different. It must be Code. Not Crypt. I don't know just when we can get together. I am broke at this. Looks bad until after first of year. Our new Moto Fight we will - Die we Must for in God we trust"

It is believed that the above quoted letter is from HAL CHILDSOON, St. Petersburg, Florida.

"Dear Folkes,

"Back in Calif. got here 10-17, FBI at door to question us about Atlanta bombing. Cleared after 3 hrs. Told them jews had better vacate U.S. now. Working at

"at Fifield's Church as custodian. Don't know how long 'little pippie' will let me before they start screaming. May go to desert or prospecting if they get me fired. Hope to develop my 5 acres in Lucerne Valley some time. Talked to mining engineer who builds gold recovery machines. Showed us some dust as fine it stuck to glass. Kasper came by before I came out here. Says he might move to Charlotte. Wish I had some friends out here to join others here.

"P.C. WYATT"

(3) Unsigned typewritten letter undated reads as follows:

"Dear Pete: No, you did not understand they did not come to see me or us on the Atlanta affair. It was that they were checking on the Clinton thing, and they were not investigating us (so they said) but that Mr. Kasper had made a remark that the Clinton blow-up was a good thing. And they wondered if we may have seen him or we might give them a lead on this to which I said 'That provokes me all of our friends are above board. I would suggest that you check with the NAACP as they have not been at all satisfied with the slow progress that they have made..... But, this meeting in Louisville had a spy one L.E. ROGERS that came there from Atlanta with Mr. GRIFFIN (I think that was his name. If you do not have a report on Mr. Rogers write for the Dilling Bulletin - I would send you mine but I do not have it. It is most interesting about this Mr. Rogers and the frame up etc., etc., After you read the Bulletin I will tell you some more about him. I did not meet him as you know I was only there a few minutes, but no doubt, that is where they got my name.

"Yes, I think that it is too bad about K and Bill H., I don't know they should have split up and I think it started about some houses etc., of course, Kasper is quit young and he has been sacrificed and he should not be let down. I have done all I can for him. But

CI. 100-9463

"I do hope that others will come to his aid. These things are so long and drawn out. I had an idea that there was still justice in the courts and did not know that the set-up was completely cut and dried, and of course I did not know that the enemy had control of everything.

"About the things that were held up. They let them proceed in the mails after 15 days. I wonder if they had an ADL agent to copy all the names and address???

"As for me there is only one thing that I can do and that is to set here and address envelopes to people and send a box of them to Mac. G., with enough money to cover the mailing and hope that the people receiving will have sense enough to read and to understand. That is what I shall do from here on out, and I don't imagine I will be attending anymore meetings as I find that too expensive and tho' I like Fields he is too young and imature to head a party, and I believe that Fabus is o.k., I sent the private school system \$7-- ~~it was~~ not much but there has been so very very many things that I would hate to count all the different causes and things that is calling for support. Now it is urgent that we support the Atlanta boys who, we all feel sure, were framed. Do get that Bulletin from Elizabeth Dilling. I think they are 25 cents each.

"Best regards, and hope you have a nice Christmas.

"One of my attorney friends says we are gaining. Says Ala., decision of the Extreme Court was good.

"Think I will start an antique shop. I just must make some money and that spot that I have to look after may be a fair place. Things have been very slow with us, and so many expenses. Anyhow, it does not help much if just a few of us know what is going on so that is why I am going to just type envelopes and then try to get them to Mr. Mac., of course I believe the time is even very very short of that as they will lower the boom as you say. Why don't you do the same thing!"

"Dear Folkes,

"Hope all is well. I am doing as well as any jew-baiter could, I guess. I talked to an arab friend here who is making a trip back there soon. I mentioned that the Americans could help the arabs if they could help the patriots in this country throw off the jew yoke. He thinks a lot of Nasser. I believe he could see him. The idea stuck with him. I have no guarantee of results.

"Every kike is a patriot for judaism so every gentile for our side. If you would write this person and expose your views on this the results might be terrific. I heard of the Louisville meeting. Bryant said he met you.

"Dear Friend:

"Got your letter O.K. and the copy to the Priest, which has been forwarded, according to your request. We were glad to do this. I appreciate your interest in writing to the Priest. I'll tell you something, out - of-the-ordinary: He has sent us \$5.00 for three different times during the past six months, which is the only money I ever received from Catholic Priest. He seems friendly, and like a real man, and I like him very much. I am sure you will have a communication from him presently.

"Dear Mr. XAVIER,

"Your most welcome letter arrived today and I am writing you right away so as to get you one of the pamphlets, as I had no idea you would care to keep it.

"Both of my Grandfathers were confederate veterans, so you see I am richly blessed with the old rebel blood. And I am glad to say I had a chance today to speak before our UDC Chapter, and my subject was 'The Status of the Negro, NOW and in the 60s.'"

"The were carried away with it, and of course, I was pleased over that but still cant understand why we cant get them all into action. When we had our state Convention here, I think I got the answers. Most of the top officers are elderly women who think more of their 'social' status and are too old to undertake anything as strenuous as any sort of Action program altho some members of our chapter are anxious to do so, but cant without a go-ahead signal from the top. I'm almost ready to withdraw...but still hope.

"Thank you for writing Mr. Cole; I had such a nice letter from him, and am glad that he is at least receptive

CI. 100-9463

"to the idea of incorporating the word 'liberty' in the party. As you know, this is very important since you know what 'democracy' is, and we had a sickening example of the brainwashing results here this week, when some of our top city officials participated in the Welcome home of the contest winner of the Voice of Democracy..which is to say that they actually gave 'aid and comfort' to the gang of conspirators behind this National program.. among them: Eleanor Roosevelt, Baruch etc as you know;

"I believe that is about all the news, but do keep me posted from time to time, if only a few lines. GLKS reports that information he has indicates that Mikoyan was here for the sole purpose of setting the stage for the take-over, and with the startling developments from day to day, it could be so.

"Dear Mrs. JENKINS:

"I have a letter under date March 1, 1959 from our mutual friend, Mr. Peter Xavier of Dayton, Ohio asking me to return you little Liberty Bell which you sent me. I would be more than glad to do so, but I am sorry to say that I have never received it. You evidently sent it to Jeffersonville, Ind. or Knoxville, Tenn. and it was never forwarded to me.

"Mr. Xavier mentioned that you advocate that the word 'liberty' be incorporated in the Party name. It is a good idea and one that I would be in favor of, providing of course, that the National Board of the next convention would approve.

(4) Letter to Mr. PETER L. XAVIER, 335 Linwood St., Dayton 5, Ohio, on letterhead "NATIONAL STATES' RIGHTS PARTY, Knoxville, Tenn. 2/18/59."

"Our Governor is makeing much stronger statements now than when he was running for office. He informed the legislature to give him bills that were constitutional and with teeth that would stand up and not tobe passing bills just to say see what we did. In plain words give me something worth while or nothing at all.

"We have to accept insults now because our strength is not what it must be to put, the right kind of decent and respectable men in office that will not go along with the enemy of the most wonderfull country ever known on earth. I may be possible for me to make a trip up there in the very near future. Some good boys are working hard and doing some good. They were given a free hand and promised no one else would be organizeing so go to it and they are showing some results.

"We have some good members all through your state and I am please with results we are getting every where. My very best wishes and kindest personal regards.

00 - Newark

Relet Milwaukee to Newark, February 4, 1959.

On April 22, 1959, DON RUEBER, 3014 South Delaware Avenue, Milwaukee, Wisconsin, visited the Milwaukee Office and gave the following information to SA GEORGE V. HUEBSCH:

Within recent months, RUEBER and his wife JOAN, having been stimulated partially by a reading of the Director's book, "Masters of Deceit," have grown alarmed by the threat of communism and have tried to do something politically positive in their fight against it. They have written letters to several congressmen, praising or opposing prospective legislation as it attacked or sponsored pro-communism.

JOAN RUEBER belongs to a Milwaukee women's legislative discussion group. At a recent meeting of that group one of the members present gave JOAN a large four-page copy of "The Key to Freedom," undated, but published by the Christian Educational Association, Union, New Jersey. The copy called communism a "Zionist tool" and purported to document the charge by identifying, through names and photographs, the persons involved in "The Zionist Conspiracy" against "the American republic" in such inclusive areas as health, education and welfare, labor, press and communications, the economy, the armed forces, the United Nations.

The copy, furnished to SA HUEBSCH by DON RUEBER, is herewith enclosed. RUEBER spoke of his concern that such material as this was legitimately anti-communist.

This letter is solely for Newark's information. No further action being taken by Milwaukee.

Re SAC letter 59-28 (J) dated 4/28/59.

Referenced SAC letter states, "The deadline for annual submission of thumbnail sketches concerning subversive organizations is June 1, 1959. Due to recent changes in the format concerning submission of such sketches, subsequent to the 1958 annual letter, refer to Part I, page 63, of the FBI Handbook and be guided by instructions therein. Insure sketches are concise, complete and are prepared and forward in sufficient time to reach the Bureau by the deadline date."

Note:

- 2) Even though a characterization of an organization was submitted, for example, in March, 1959, and there is no basic change, you must still recontact all the sources utilized and reflect the new dates of contact in the current characterization.
- 3) If an organization is defunct, the information reflecting it is no longer in existence must be attributed to sources in a position to so state.

An original and two copies of each characterization should be made. Route the original and one copy to the S-2 Supervisor by 5/25/59 for forwarding to the Bureau by 6/1/59. The third copy may be filed in the case file.

"Common Sense" is a bimonthly tabloid size newspaper published by the CHRISTIAN EDUCATIONAL ASSOCIATION, 530 Chestnut St., Union, N. J. The last statement of ownership appeared in the 9/15/58 issue and listed the owner and publisher as the CHRISTIAN EDUCATIONAL ASSOCIATION and the editor as CONDE MC GINLEY. A box appearing in all issues indicates MC GINLEY is the founder and editor.

The Committee on Un-American Activities of the United States House of Representatives on 12/17/54 published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish, and to a lesser extent the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

We have a "U. N." in our family, a Southern Presbyterian Elder, a former Catholic and a former Reformed Jew, as son-in-law, also an Episcopal daughter-in-law. They are all devoted to each other and the eleven grandchildren are inseparable.

My son-in-law who is of Jewish descent just received an award of merit for helping to raise a million dollars for an addition to the Presbyterian church also in the South. His family are intelligent and charming people and I really burn when they come of the talk. I listen along and then I really land. I feel that one of these pamphlets is an

M'Ginley Periodical Assailed As 'Scurrilous, Anti-Semitic'

TRENTON—"Common Sense," a periodical published in Union, was condemned by the Senate and Assembly last night as scurrilous and anti-Semitic.

Both houses approved a concurrent resolution which called on state and federal law enforcement and postal officials to require the publication to comply with the letter of all applicable regulations.

The move was sponsored by the four Union County Assembly members and pushed in the Senate by Sen. Robert C. Crane of Westfield, publisher of the Elizabeth Daily Journal.

The resolution was prepared several months ago following a wave of anti-Semitic acts in the South and Midwest. Among these was a synagogue bombing in Atlanta.

Prosecutor H. Douglas Stine held

several conferences with Jewish leaders and reviewed copies of the publication at the time.

"Common Sense," published by Conde McGinley at 530 Chestnut St., Union, was condemned in 1953 by the Rhode Island Legislature.

In discussing the paper last night, Sen. Crane asserted it operates on the theory that all Jews are Communists.

"It is scurrilous in its content and quite defamatory. As publishers, we can't condone it. We don't like to see it in print," he said.

Joining Assemblymen James M. McGowan, John J. Wilson and George M. Miller and Assemblywoman Mildred Barry Hughes of Union in sponsorship were Assemblywoman Madeline Williams of Essex and Assemblyman David I. Stepacoff of Middlesex.

Gentlemen:

Enclosed with this letter you will find the following::

1 copy of "Commonsense" Issue #248, March 15, 1956.
1 " " " " #317, Feb. 15, 1959.
1 " " "The Coming Red Dictatorship".

I received these three papers in the enclosed wrapper in today's mail. Up to this time I had never heard of "Commonsense" and I certainly did not ask any person or organization to mail them to me. I therefore presume that I am being solicited to subscribe to the paper and that my name was on some mailing list made available to this organization.

Unfortunately, I presume that the people who print and distribute this "garbage" are not breaking the law, or else it would not have been going on, apparently, for fourteen years. However, I certainly hope that sooner or later you will be able to take steps to prevent its continuance, either under present laws or as a result of future legislation.

If and when that time comes, and if my name is found on their files, I wish to be on record as being absolutely opposed to this sort of thing, and I wish to disassociate myself entirely from the organization.

Very truly yours,

Peter B. Dyson.

On 6/2/59, Mrs. FREDERICK JESELSOHN, 204 Atlantic St., Menlo Park Terrace, Metuchen, N. J., telephonically advised the writer that she had some pamphlets in her possession entitled "Common Sense" and that she wished to discuss the same with the FBI and turn them over to the FBI if desired.

On 6/3/59, SA MARION M. WRIGHT and the writer contacted Mrs. JESELSOHN at her residence and she stated that she was upset over the fact that she had even received the pamphlets and was explained to her that there are many ways that addresses could be obtained for obtaining the pamphlets. It was noted that the pamphlets that she had in her possession were copies of pamphlets which have already been forwarded under former circumstances to the Newark Office and it was suggested to Mrs. JESELSOHN that she destroy them. She stated that she would do so.

Recep of SA WILLIAM H. LAWRENCE dated 5/23/59
at Memphis

No leads set out for Newark to develop sources
close to COMDE MC GINLEY to endeavor to identify The Patriot
and to determine bundle subscribers to Common Sense.

The investigation of the Christian Educational
Association (CEA) (COMDE MC GINLEY's organization) which
publishes Common Sense is closed by Bureau direction and no
further investigation is contemplated. New York has a source
[redacted] who is on very close terms with MC GINLEY and he
should eventually be able to learn the identity of The
Patriot if MC GINLEY knows who he is. Common Sense is dis-
tributed by about all of the organizations who have anything
in common with MC GINLEY's views.

From thorough investigation of the CEA it was
determined no Federal laws were being violated. Extreme
caution and discretion was used during the investigation to
avoid embarrassment to the Bureau. The Bureau did not approve
a mail cover for that reason as it was reported some of the
postal employees are sympathetic to MC GINLEY. A son of one
of MC GINLEY's employees is a part-time postal employee in
Union.

It is believed that the information desired by the
Memphis Office can best be secured through [redacted]

MISCELLANEOUS - INFORMATION CONCERNING

On 6/16/59 Mr. WALLACE EARL HAWLEY, JR., 2015 Baxter Street, Los Angeles, Calif, personally appeared at this office bearing the enclosed 7/15/58 issue of "Common Sense." Mr. HAWLEY advised that he received this issue in the mails from Albany, Georgia, in an envelope bearing the return address of E. PAUL, Albany, Georgia. Complainant stated that he knows no one in Albany, Georgia, and he also has no acquaintances in Union, New Jersey, which, according to the enclosure, is the location of the publishing house issuing "Common Sense."

It is noted that page 4 of the enclosure contains an article captioned "A Letter to J. EDGAR HOOVER" signed STANLEY MAC DONALD. This article gives the view that the articles known as "Master of Deceit" attempt to whitewash the real activity of the Jews.

Indices of this office contain no information identifiable with STANLEY MAC DONALD on the basis of the limited information available.

Los Angeles file 100-33694 concerning "Common Sense" describes it as a newspaper of general anti-Semitic qualities.

The enclosed is forwarded to the Bureau for information and a copy of this communication is directed to Newark for the information of that office.

The following information, developed by Baltimore, is being furnished to the Bureau and Newark for information purposes.

On May 26, 1959, Mr. DANIEL H. SATTLER, Manager of Burleigh Manor Apartments and Edgewater Shopping Center, located on Easte n Avenue, Essex, Maryland, furnished the following information to SA [redacted]

Mr. SATTLER advised that on Saturday, May 24, 1959, one of the ushers at the Edgewater movie house obtained a "hate" leaflet from an unknown individual standing in front of the theater. This leaflet, captioned "Government of the Soviet Union," contains a diagram and a summary of information alleging that there is a visible and an invisible government within the Soviet Union. This leaflet contained the following name and address as the original source: A. JEFFINOW, Box 727, Union, New Jersey.

Mr. SATTLER advised that the usher was unable to furnish any information which would assist in identifying the person who distributed this leaflet in front of the theater. According to the usher, the man who gave him the leaflet received it from an individual who was distributing similar leaflets to other persons walking in this area. Mr. SATTLER stated that he attempted to locate the distributor of the leaflet but was unsuccessful. According to Mr. SATTLER, he has never observed this type of literature being distributed in this area before. A photostat of the document is being forwarded to the Bureau and Newark for information purposes. Baltimore is retaining the original document in its file.

He stated that he had no intention of even replying to the letter and regretted the day he got mixed up with the man. He said also that [] mentioned writing to JOHN KASPER but that KASPER had not returned the letter.

"Mr. FLEMING also had received a letter from JOHN KASPER the 17th which, he said, indicated a willingness on the part of KASPER to come to the Washington area upon his release from prison and attempt to set up a general headquarters here under another name than Seaboard. On 7/29/59, Rev. J. P. McKINNON, Faith Baptist Church, 442 Fenwick St., Augusta, Ga., came by the Augusta, Ga. RA with a copy of the August 1, 1958 issue of Common Sense, published at Union, New Jersey, 305th issue, 13th year of publication, editor CONDE MGINLEY.

The paper, which McKINNON desired to keep, had been given to him by a member of his church. It contained an article entitled "Zionist Control NAACP," indicating that leadership in NAACP is held by Jews and Communists. Another article entitled "How Red is the NAACP and Leaders?" listed a number of individuals associated with the NAACP and purported to give the number of Communist front organizations with which such individuals were also affiliated. Another article was entitled "Marxists Always Present in NAACP's Background," and tended to show how many of the NAACP leaders had Marxist ideologies.

Rev. McKINNON said if the information in this paper is true, he felt the United States is already defeated from within, and if the information is untrue, it should not be published.

McKINNON described his church as the smallest Baptist Church in Augusta, Ga.

This information is submitted for the information of Newark, which no doubt is aware of this publication.

The August 1, 1958, issue of "Common Sense", CONDE MC GINLEY, Editor, was furnished the writer by Mayor PAUL CAMPI of Little Silver, N.J., on 8/16/59. He received it 8/16/59 from AL DAVIS, 38 Winfield Drive, Little Silver.

Mr. DAVIS found it on his lawn at the above address about 3:00 p.m. that day. DAVIS was quite upset because as a Jew he felt this newspaper with its anti-Semitic views may have been deliberately thrown on his lawn.

The last statement of ownership appeared in the 9/15/58 issue and listed the owner and publisher as the CHRISTIAN EDUCATIONAL ASSOCIATION and the editor as CONDE MC GINLEY. A box appearing in all issues indicates MC GINLEY is the founder and editor.

The Committee on Un-American Activities of the United States House of Representatives on 12/17/54 published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish, and to a lesser extent the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

On above date, William Riecker, 795 Ave. E, Bayonne, N.J. telephone HE 6-5901, telephonically contacted the office and identified himself as a truck driver and a member of the color guard of an American Legion Post in Bayonne.

He stated he was driving in Union today and passed the above organizations headquarters at 530 Chestnut St., Union, N.J. and noticed that the American flag was flying from the flag pole upside down.

He went into the place and told them that the flag was flying the wrong way and he was told in a nasty manner that it was in "honor" of the visit of Krushchev to this country. They would not remove it or change it and he reported the matter to the Union Police Department. He was told that they had no jurisdiction in the matter.

Mr. Riecker was told that the FBI had no Federal law under its jurisdiction concerning the matter but an attempt would be made to bring the situation to the attention of the appropriate authorities.

Frank Wood, Agent in Charge, Secret Service, Newark, N.J. telephonically stated they had no jurisdiction over the matter but it was his belief that each individual police department should handle any violation

On 1/13/60, Mr. STANLEY C. DUKIET of 310 Morris Avenue, Spring Lake, N.J., telephonically contacted the Red Bank Resident Agency and stated that his daughters had found copies of the publication "Common Sense" on the streets of Spring Lake, N.J.

It is noted that Mr. DUKIET is an employee of the Credit Bureau of Monmouth - Ocean Counties, Main Street, Asbury Park, N.J., and that the Agents of the Red Bank Resident Agency have in the past met him through credit checks at that credit bureau.

Mr. DUKIET appeared at the Red Bank Resident Agency and contacted the writer on the afternoon of 1/13/60, and furnished one copy of the 11/15/59 and one copy of the 9/1/59 issues of "Common Sense". He related that his twin daughters, age 12½, had found these on the streets of the 300 block of Jersey Avenue, Spring Lake, N.J. and had furnished them to him. He related that they had given him two copies of each of the above issues and that he had retained two (one copy of each issue) and was now furnishing the other two. The girls told him that there were a number of copies laying on the ground.

Additionally, a girlfriend of theirs said she had found some copies of this newspaper in the vicinity of the Community House, Spring Lake, N.J., which is approximately four blocks from Jersey Avenue.

Mr. DUKIET related that the contents of the newspapers offended him and he felt it was a matter that we might be interested in.

The above is submitted for the information of the file.

[REDACTED] were arrested by the New York City
Police Department in Union Square, New York City, on a
charge of "disorderly conduct" under Section 722-2 of
the New York State Penal Law.

[REDACTED] advised that the above mentioned three
individuals were arrested on the complaint of [REDACTED]
[REDACTED] who stated
that these three individuals had accosted him in Union
Square, New York City, gave him the Nazi salute and called
him a "dirty Communist." When [REDACTED] reproached
them for this demonstration and stated he was an American

of the United States, these individuals reportedly said,
"We'll cram that constitution down your throat."

Re: [redacted]

Swastikas and Other Racial
Incidents, New York City,
January 26, 1960
Racial Matters

Detective [redacted] further advised that when [redacted] and [redacted] were arrested they had in their possession a quantity of "American Mercury" magazine which is published by Russell Maguire.

On January 20, 1958, a Confidential source advised that Russell Maguire, owner and Chairman of the Board of "American Mercury" magazine and President of Maguire Industries, Inc., 500 Fifth Avenue, New York City, was very anti-Semitic and a refugee from the "crack pot fringe."

On January 27, 1960, a confidential source who has furnished reliable information in the past, advised that [redacted] and [redacted] are companions who meet every Sunday afternoon at the Patriotic Forum held at the Christian Educational Association, 530 Chestnut Street, Union, New Jersey, an organization formed and controlled by Conde Mc Ginley, editor and publisher of "Common Sense", a hate sheet which is purportedly an anti-Communist newspaper and which is anti-Semitic and to a lesser degree anti-integration.

This source stated that [redacted] and [redacted] after the meetings of the Patriotic Forum adjourned each Sunday would carry away with them much of Mc Ginley's literature for distribution in the New York City area.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency

N.J. 'Hate

Factory' Leaflet

Stirs Major Row

in Virginia

By GEORGE KENTERA

Washington Bureau.

WASHINGTON — A leaflet from a "hate factory" in Union, N.J., has stirred up a major controversy in a Virginia suburb of this national capital.

The controversy involves a 1959 French motion picture, "He Who Must Die," which the leaflet describes as "filthy, anti-Christian and filmed by Communists and Jews to water down Christianity."

The leaflet was issued by the Christian Educational Assn. of 530 Chestnut St., Union, an organization which the House Un-American Activities Committee identified in 1954 as publisher of "some of the most vitriolic hate propaganda ever to come to the attention of the committee."

According to the committee report, CEA was headed by Conde J. McGinley and his son, Conde Jr., publishers of a paper called "Common Sense."

Jews Attacked

Of the paper, the committee said that it "defines communism as 'Judaism' and devotes its pages almost exclusively to attacks on Jewish and to a lesser extent Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected . . ."

Efforts by the Washington Bureau of this newspaper yesterday to obtain a telephone number for the McGinleys, the CEA or "Common Sense" were unsuccessful.

The controversy got its start in Fairfax County, Va., when a local minister received the leaflet in the mail and forwarded it to W. T. Woodson, superintendent of county schools. The minister said subsequently that he knew nothing about either the film or the CEA.

In a memorandum dated March 3, Woodson wrote to all county school principals:

"A minister of the churches in Fairfax County recently brought to my attention a mimeographed sheet about the film, 'He Who Must Die.' This sheet not only tells of the film but of the people behind it.

"I have felt it worthwhile to have copies made and forwarded to you that you may be forewarned should this or anything like it be offered for presentation in your school or community."

Not Concerned

Since then, Woodson has said he was "not concerned with who put it (the leaflet) out but with what it says."

"Sometimes, we have a tendency to lock the stable after the horse is stolen," he said. "We need to be alert to these things to guard our youth."

The film, by Kassler Films, has generally received favorable comment from motion picture critics. It is a modern parable, set in a Turkish village, of the passion of Christ.

The action of Schools Superintendent Woodson earned a quick rejoinder from Rev. Ernest H. Sommerfeld, a Fairfax County Unitarian minister. Mr. Sommerfeld told a meeting of trustees of the Mt. Vernon Unitarian Church that the picture was "deeply Christian, and sadly but beautifully truthful."

"This is pretty vicious, anti-Semitic stuff," Mr. Sommerfeld said yesterday. "I know quite a few high school youngsters here, and they are amazed that anyone in education would pass on information while admitting he did not know anything about its source."

The Highland Theater in Washington has scheduled the film for showing Friday and Saturday. Mr. Sommerfeld is hoping that Fairfax County ministers will view the picture for themselves.

In the meantime, the Unitarian pastor charges that Superintendent Woodson has betrayed his trust and disqualified himself for the office he holds "by not checking the leaflet's source and validity and spreading anti-religious and anti-Semitic propaganda. . ."

In that connection, the Un-American Activities Committee in 1954 found it "regrettable that any Americans may have contributed to the perpetuation of a hate factory such as that operated by the McGinleys."

John Edgar Hoover, Director

THIS REPORT IS FURNISHED FOR OFFICIAL USE ONLY

June 8, 1960

Dear Mr. Burke,

A few weeks ago I went to Wickes-Barre, Pa. and while there some pamphlets & newspapers were put in my car. Apparently they were being put in all the parked cars.

I found these papers to be full of propaganda and when I confided this fact to my tenants, two young school teachers, who recently heard you speak before their club, the OYAC of Monmouth County. They suggested that I send them on to you for evaluation. I don't like to cry wolf but I also dislike this type propaganda.

If these papers are of a Communistic nature, they

certainly chose a most opportune time to peddle them in Wyoming Valley; for that same week that area had been refused, by both President Eisenhower & Congress, aid for a Hardship area. This fact made me suspicious, knowing that Communists thrive on discontented people.

Enclosed you will find one of the newspapers. One of the others was published by Christian Educational Assn. - Box 807 - Union, N. J. and another by American Mercury
250 West 57th St.
New York 19, N.Y.

Sincerely yours
(Mrs.) Gertrude James

Enclosed for Newark is copy of publication described below.

On 7/20/60, Mr. JACK CAREY, United Metal Spinners Company, 35 South St. Clair Street, Dayton, Ohio, made available to SA the printed sheet entitled "The Coming Red Dictatorship - Asiatic Marxist Jews Control Entire World as Last World War Commences. This sheet indicated that copies thereof could be obtained on order from "Common Sense - The Nation's Anti-Communist Paper, 530 Chestnut Street, Union, New Jersey."

The title of the paper is self-explanatory, the contents being a denunciation of Jews and their plot to "pull the strings which will submerge Gentile humanity forever".

Mr. CAREY advised that he received the sheet from JAMES BROWN, 209 Whispering Drive, Dayton, and that BROWN told him he had received the sheet from one BILL JOHNSON, employed at Refrigeration Equipment Company, Dayton.

The above described sheet is being furnished to the Newark Division for information.

CHRISTIAN EDUCATIONAL ASSOCIATION

"Common Sense" is a bimonthly tabloid size newspaper published by the Christian Educational Association, 530 Chestnut St., Union, N. J. The last statement of ownership appeared in the 10/1/59 issue and listed the owner and publisher as the Christian Educational Association and editor as Conde Mc Ginley. Each issue of the publication contains a box which indicates that Mc Ginley is the Editor and that it is published by the Christian Educational Association.

The Committee on Un-American Activities of the United States House of Representatives on 12/17/54 published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish, and to a lesser extent the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.
